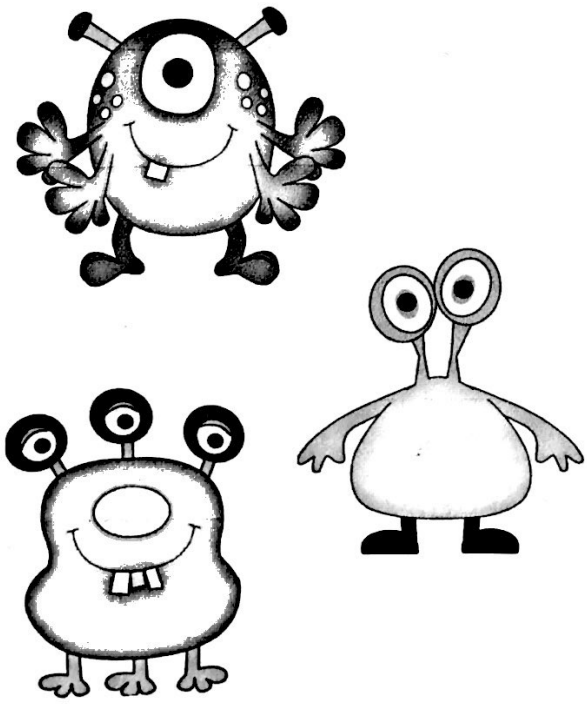
Your children have been working hard on writing/drawing their thoughts and connections to stories. Ms. Amy and I are seeing some skills and improvement of skills in their writing. Please encourage your children to write and draw often.



Family Fun
We will be looking at special times we have with family.

Children will continue learning about family members, family roles, and the unique qualities of families

Letter: Ee and it's sound

Math: counting and recognizing numbers

Little reminders:

Picture day is Sept 27th
Fall Break is Oct 2-6
parent teacher conference Oct 17, 3-6pm
Fall Festival Oct 28

Wildcat Cubs' Pre-K
Monster Newsletter
September 18, 2017

While we are talking about family, please send in 2-3 pictures of the our child's family. We are going to look at them, share them, and talk about our different families. These photos will go home at the end of our family unit.

PARKING
Please remember to <u>park in the circle in the mornings,</u> not the parking spots. When families use those spots, it limits the places for the school staff to park.

What we are talking about:
We take care of each other.
This week we are talking about ways we care and take care of each other in our families.

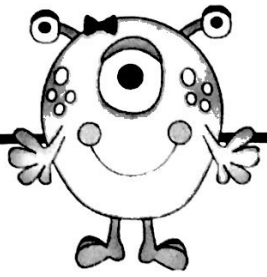
Letter- Dd and its sound

Math- recognizing simple shapes- circle, triangle, square, and rectangle

Phonics: blending words (putting together) to make compound words

Vocabulary words: (words we will be hearing and using this week) caring cousins feelings love square circle triangle rectangle

Books we are reading: Too Many Tamales and Mama Zooms



Jean Wright Teaching the "Wright" W
