## THE RICHNESS OF LIFE IN CHRIST

Today we have the beautiful story of the woman promised a child, the wonderful exhortation about life in Christ, and a powerful instruction from Jesus. An embarrassment of riches? Not if we take Jesus' words about "welcome" to heart. The many challenges and blessings offered to us today by Elisha, Paul, and Jesus should be cause for rejoicing, and welcomed heartily into our lives. And, like the great treat that they are, they should be enjoyed and shared generously with others.

Today's reading from Romans was chosen very early in the liturgical life of the Church to be the sole apostolic instruction received by candidates for baptism at the Easter Vigil. This illustrates its importance as a core belief, and as a means of comprehending the story of the Resurrection. Christ's resurrection is not merely a story about something that he underwent once upon a time, but it is our story, the story of how we joined the other members of the one Body of Christ, the church. We were not only dead, but we were buried; not ultimately buried, but raised to eternal life with Christ. Copyright © J. S. Paluch Co.

**ST. VINCENT DEPAUL:** In today's Gospel Jesus tells us: "Whoever gives only a cup of cold water to one of these little ones to drink because the little one is a disciple – Amen I say to you, he will surly not lose his reward."

**Your gifts bring hope to the Poor.**

St. Vincent de Paul would like you to know whom we serve in Chico and Durham. Approximately ½ of our clients are single mothers with children. One quarter are senior citizens and about ¼ are families with two parents. Thank you for giving hope and support to so many.

**Reflections**

Today's Gospel is the conclusion of the instructions and consolations that we have heard Jesus offering to his disciples during the past few weeks. In this passage, Jesus summarizes both the costs of discipleship and its rewards. Once again our understanding of the Gospel is strengthened by considering the context in which it was written and the perspective of Matthew's audience.

The conditions of discipleship outlined in Matthew's Gospel may appear harsh. Yet they underline for us a truth—choosing anything with one's whole heart has consequences. Choosing life with Christ means that every relationship we have must be understood from a new perspective. For many in Matthew's community, this choice brought division to their family.

Matthew also outlines the reward of hospitality offered to Jesus' followers. In today's Gospel, Jesus explains the difficulties of discipleship, yet reveals that those who welcome the disciples have also welcomed him.

Today's Gospel also highlights for us the importance of hospitality in the Christian life. To welcome another in Jesus' name is to extend hospitality to Jesus himself. We

have many opportunities in our daily life to reach out to others, to be a welcoming presence and a sign of God's love. Loyola Press

**A Traveler's Prayer**

The path I walk, Christ walks it  
May the land in which I am  
Be without sorrow.

May the Trinity protect me  
wherever I stay,

Father, Son and Holy Spirit  
May bright angels walk with me,  
dear presence, in every dealing.

May I arrive at every place;  
may I return home

May every path before me be smooth  
May man, woman and child  
welcome me.

A truly good journey.

Well does the

fair Lord show us a path.

COMPLETION IN SEPTEMBER.

THANK YOU FOR YOUR PATIENCE AND UNDERSTANDING.

**4th of July**

**THANKS FOR FREEDOM:** The 4<sup>th</sup> of July is a great time to celebrate our dual freedoms: Democracy and Salvation! Bask in the light of God's grace that offers you freedom from the bondage of sin. Delight in the fact that America is a free country and that you have been gifted with the right to life, liberty and the pursuit of happiness. But should our celebrations be kept in the inner cupboard of our emotions? No! Reach out and share your joy with others. Share the good news of Christ's freedom with someone who greatly needs to hear. Get better informed and more involved in our government, learn the issues, get active and be sure to vote. Let's celebrate the joyous day by using our precious freedoms.

### Love in Action

“Too many people sit in front of warm hearths and full tables, asking God to teach them to love their neighbor. It takes no teaching to carry food to the needy or give shelter to the homeless. Do not sit and ask to be given love, get out and act love first and you will be given all you need.”

## FAMILY ROOM

We have a new PASTOR!

His name is Father Francis Stevenson. Father Francis is not new to ODS but he has now been officially named as our pastor. (Before his title was “Parochial Administrator.”) We are excited for him and his new official post.

Father Francis has had a wealth of experience before joining us. He was raised in a basic Protestant Methodist community but converted to Southern Baptist at age 16 and was baptized then. At age 17 he joined the Marine Corps and spent time as a chaplain in Bosnia and in Germany. He taught 4th grade in a Catholic school, converted to Catholicism, and was ordained in 1992. Bishop Weigand gave him permission to enter prison ministry and he worked at the California Men’s Colony. He served for many years in a parish in the Sacramento area.

He explained that the recognition as Pastor gives him more sense of stability and permanency and hopefully, less frequent moves. According to Canon Law, titles bear with them privileges and responsibilities. When a priest is assigned to his first parish as an acting pastor, he is considered to be in a probationary position. Father described it as “a pastor with training wheels.” Being named pastor gives the priest a right to remain in a parish unless there is an egregious reason to be removed, similar to a teacher receiving a tenured position. The bishop decides who will be pastors, and Father received his formal letter on June 1, 2017.

Our pastor priests are offered the opportunity to move if an opening is available in the diocese, but these moves are offered, not insisted upon. Father Francis says that although he loves the idea of a small, rural parish in the mountains, he thought about the needs of our parish and our often-stated desire to have a priest stay with us to provide continuity. He considered and weighed his options and decided to place our needs above his personal inclination. He is happy here, and we are surely happy to have him. He remembers the advice Bishop Quinn offered at his ordination: “Try and be kind!” We all can attest that he lives out that direction. His new official position will hopefully mean that he will be here for the immediate future and can help shepherd ODS into our next 50 years.

An installation ceremony is in the planning stages. Watch for forthcoming information!
