

DEPARTMENT 601 - LITTLE BRITCHES CALF CLASS

We invite area youth, **ages 5-8 years old**, to participate in the educational Little Britches Calf Class. These young individuals are invited to show beef or dairy calves born **on or after March 1, 2022** – **NO exception will be made**. Little Britches youth should work with an adult or older youth mentor, who will teach them about dairy cattle husbandry and showing of their calf. Calves will need to be brought to the Lodi Fairgrounds on Thursday, the same check-in day as all other animals being exhibited. The calves will be housed on the Fairgrounds in the same string as the mentor's animal(s). The comfort and care of the Little Britches calf is the responsibility of the youth and older mentor throughout the entirety of the Lodi Agricultural Fair. The Little Britches class will take place immediately following the conclusion of the Dairy Show. After a short interview, all young showmen will receive participant ribbons and donated prizes.
