Hydrangea 'Firelight'	5' tall hydrangea with flowers that emerge white and eventually progress to a striking red color late in the season
Hydrangea pan. 'Little Lime'	A new dwarf form of the ever popular 'Limelight'. Great same size flowers but at one-third the size. Ht 3-5ft
Hydrangea pan.'Pinky Winky'	Large summer flowers open white and change to pink. Blooms every year. Hardy. Soil pH does not affect color
Hydrangea 'Quick Fire'	White blooms appear in early June and turn to a rich deep pink. 6-8'
Hydrangea 'Tiny Tuff Stuff'	A miniature hydrangea only 3' tall - flowers range from blue to pink - distinctive arching habit
Inula ensifolius	Very attractive mound of foliage covered with yellow daisy-like flowers in mid-summer
Iris germanica aureo. (yellow)	Attractive yellow and green variegated foliage with darker blue flowers in June
Iris 'Maid of Orange'	Early outstanding orange blooms with a dark tangerine beard -produces 4 to 5 stems per rhizome - grows to 24" tall
Iris pumila 'Orange Plaza'	Diminutive iris with orange flowers on very low 10" plants - blooms earlier than the giant bearded iris
Iris sibirica 'Pink Parfait'	Very desirable pink-lavender double blooms on this siberian iris - prefers a moist soil and does well in part shade
Juniperus comm. 'Compressa'	Blue-green evergreen foliage. Narrow, upright habit. Deer-resistant.
Juniper Procumbens Nana	This ground hugging Juniper provides a dense mound of branches that radiate from the center.
Juniper Shimpaku	Foliage color is beautiful dark mint green all year round. Full sun preferred. Height 1ft
Kalanchoe 'tomentosa'	Silvery, densely felted, fleshy leaves with brown markings on edges. Whitish flowers with light brown stripes.
Kniphofia 'Fire Dance'	Forms low clumps of narrow arching blue-green foliage, multiple stems of coral-red and yellow pokers.
Lavandula 'Super Blue'	It's short spikes packed with aromatic, deep blue florets. Blooming June to September. Ht. 12"
Leucanthemum 'Lapsider'	Pure white double, fringed flowers on compact plants - large flowers - will grow 12" to 14" tall
Leucanthemum 'Real Dream'	Tight clumping habit, large flowers have 3 layers of greenish-yellow petals and large golden centers. Ht. 18"
Leucanthemum 'Real Glory'	Unusual anemone-type flowers, multiple layers of pure white petals open flat. Ht 26"
Leucanthemum 'Snowbound'	Very compact and sturdy shasta daisy with single white flowers - 15" tall - long bloom season
Lewisia 'Elise'	Glorious shades of soft and vivid pinks, rose, salmon, white, yellow, orange, soft purple and lovely bicolor pattern
Liatris 'Kobold '	Good choice for mid-summer color - 24" flowers are purple - very hardy & easy
Ligularia 'King Kong'	Huge 16" diameter dark leaves - best in morning sun - greener leaves in full shade - golden orange flowers - 3 to 4' tall

Ligularia 'Little Rocket'	Dwarf cultivar of 'The Rocket'. Large bright yellow flower spikes in early summer. Ht. 36-40"
Lily Asiatic 'Golden Matrix'	Compact early blooming asiatic lily. Yellow upfacing flowers. Height 16"
Lilium 'Conca d Oro'	Huge clear yellow with a lighter yellow tips. Very fragrant. Ht. 36-42"
Lilium Mart. Album	Vigorous bulb perennial with whorled leaves and racemes of pure white turkscap flowers. Ht. 2'
Lilium Mart. Claude Shride	Dark red-mahogany flowers carry their color in the spots that peak through the orange of the flower centers.
Lilium Mart. Orange Marmalade	4' tall stalk adorned with up to 30 outfacing, 2.5" wide, lightly fragrant, bright orange flowers.
Lilium 'Matrix Red'	Compact lily growing to 18" tall - fiery red with orange brush marks - good bud count
Lily OT 'Touchstone'	Giant plum-purple flowers that are upward facing - 3 to 4 flowers per stem - fragrant - 44 to 48 inches tall
Lily Looks 'Tiny Diamonds'	Attractive bicolor rose-red flowers on very compact border plants. 12 to 14" tall - yearly bloom season
Lily Looks 'Tiny Rocket'	Dark red with even darker highlights - 4 to 6 flowers per stem - grows 14 to 16 inches tall - blooms late June
Lilium 'Tiny Padhye'	White with burgundy brush marks, spectacular color contrast. Ht. 16-18"
Lilium 'Tiny Poems'	Dark purple, almost black centers with pink tips. Ht. 18"
Lilium 'Triumphator'	Stunning color combination. Huge trumpet- like white flowers with almost maroon centers. Ht 60"
Lobelia cardinalis	Scarlet trumpet blooms appear over bright green foliage in July and August - likes shade and moisture - zone 5
Lychnis ark. 'Orange Gnome'	Dwarf 8" bronze foliage - intense bright orange flowers - long bloom season
Lysimachia 'Aurea' numm.	Green, ruffled foliage mat with yellow flowers. Excellent ground covers. Also great for planters. Prefers shade.
Monarda 'Fireball'	Medium height with bright red flowers shorter and more compact than others. Mildew resistant. Ht 18"
Monarda 'Pardon My Cerise'	Proven Winner - Compact bee balm with dark cherry pink flowers blooming during the heat of summer. 16"
Monarda 'Pardon My Pink'	Bushy, compact clump of attractive, aromatic, deep green, glossy foliage. Mildew resistant. Ht. 12"
Monarda 'Petite Delight'	Dwarf monarda with highly mildew resistant foliage - lavender rose flowers - 15"
Nepeta 'Kitten Around'	Tidy compact cat mint - smallest form on the market - very long blooming - blue aromatic flowers - 18 to 20" tall
Oenothera 'Lemon Drop'	Proven Winner - Sunny bright yellow flowers - long bloom season - Grows to 10" tall
Peony 'Bartzella'	Spectacular cross of a herbaceous and tree peony - incredible large yellow flowers on sturdy stems - specimen plant
Peony 'Hanikisoi'	Tree peony - Huge double pink flowers - grows to 4' tall - hardy to zone 4
Peony 'High Noon'	Tree peony - Huge yellow flowers - grows to 4' tall - hardy to zone 4
Peony 'Houki'	Tree Peony - Large double red flowers - woody shrub to 4' tall - hardy to zone 4
Peony tenuifolia Rubra Plena	This is the famous and highly ornamental Japanese fern leaf peony - very fine foliage with double red blooms in late May
Penstemon 'Dark Towers'	Glossy bronze-red foliage with 2-3" pink flowers- tolerates high heat and humidity. Ht. 33"
Penstemon 'Red Riding Hood'	Abundance of huge, white tipped, coral-red flowers - 22" tall - drought tolerant perennial
Phlox 'Blue Flame'	Dark blue buds open to blue & white pin wheeled flowers, strong stems with excellent branching. Ht. 16"
Phlox 'Coral Flame'	Vibrant coral red flowers on a genetically compact plant growing to 16" - good resistance to mildew
Phlox 'Danielle'	Fragrant, pure white blooms. Green foliage, extremely mildew resistant. Drought tolerant. Ht. 26"
Phlox 'Desire'	A new hybrid phlox which is compact and mildew resistant - hot pink-purple flowers bloom mid-season - 10 to 12" tall
Phlox 'Emerald Blue'	Moss-like foliage with masses of blue flowers appearing early in the growing season - colorful groundcover - 6" tall
Phlox 'Europa'	Pure white flowers with pink eyes form dense heads on tall upright stems - highly scented - hardy to zone 3
Phlox 'Forever Pink'	Compact, upright habit with purple-pink, scented flowers. Deep green, attractive foliage. Ht. 16"
Phlox 'Europa'	White flowers with a pink eye - upright phlox growing to 28" - attracts butterflies to the garden - hardy to zone 4
Phlox 'Fort Hill'	Moss-like foliage with masses of pink flowers appearing early in the season -colorful ground cover - only 6" tall
Phlox pan. 'Laura'	30" tall -mildew resistant - lavender purple flowers with a white star center - strong stems

Phlox 'Pink Dark Eye'	Pink flowers with dark pik eyes - this is the earliest upright phlox to bloom in the garden - only 12" tall - long blooming
Phlox 'Purple Eye'	Purple flowers with a white eye. offer good disease resistance, a bushy habit, and large flowers. Ht. 15-18"
Phlox 'Purple Flame'	Very compact yet still produces large colorful flower heads. Purple flowers. Ht. 16"
Phlox 'Red Flame'	New Introduction - Same characteristics as above but with intense red flowers
Phlox 'Scarlet Flame'	Moss-like foliage with bright pink flowers having a reddish center - early season bloomer - grows only 6" tall
Phlox 'White Eye'	Large clusters of snow white flowers with a prominent magenta eye make this plant a real eye-catcher! Ht. 15-18"
Physostegia virginiana 'Variegata'	Plant forms an upright, bushy clump of light green leaves, splashed with creamy-white. Ht. 24"
Platycodon 'Astra Dbl Blue'	Blue balloon-like buds pop open to an attractive double blue flower - very late to emerge but very long lived - 10" tall
Platycodon 'Astra Pink'	Interesting balloon-like buds burst open into light pink beautiful bell-shaped flowers. Ht. 8-10"
Polemonium 'Brise D' Anjou'	It's variegated green and creamy-white leaves look for all the world like some exotic fern. Ht.18"
Pol. 'Bressingham Purple'	Dark purple foliage-Attractive clusters of lavender-blue flowers- best grown in light shade. Ht. 15"
Polygonatum fal. variegated	Slow clumping woodland plant with showy variegated foliage and white flowers in early summer
Prunella 'Freelander Blue'	Very compact carpets of dark green foliage - violet blue flowers -extended bloom season - only 6 to 10" tall
Prunella Summer Daze	Forms compact mounds of oak leaf-shaped foliage, vibrant pink flowers bloom on terminal clusters. Ht. 8-12"
Pulmonaria 'Rasp. Splash'	Brilliant silver leaves with a strong upright growing habit - raspberry-pink flowers
Pulsatilla vulgaris rubra	Lacy foliage with deep wine-red flowers blooming very early in the season - seed heads remain very attractive after bloom
Pulsatilla vulgaris	Large purple bell-shaped flowers and fine cut lacy foliage. Ht. 10"
Rhamnus 'Fineline'	Very narrow upright fern like foliage - very ornamental - no viable seed - great hedge or accent plant
Rodgersia 'Cherry Blush'	Forms large clumps of large rough quilted foliage, green leaves take on bronze hues in spring. Ht 36"
Rosa 'Beauty Secret'	Scarlet red blooms on a miniature rose bush - grows to 18" tall - hardy to zone 5 - repeat bloomer
Rosa 'Deep Velvet'	Velvety red miniature rose - Grows 12 to 18" tall - repeat bloomer - tiny leaves - hardy to zone 5
Rosa 'Julia Child'	Lovely butter yellow, plump blossoms will add color and interest to any garden spot. Size 4' x 4'
Rosa 'Livin La Vida'	Flamingo pink flowers on glossy green foliage - Continuous blooming and full petalled - 2.5 to 3' tall
Rosa Oso Easy 'Double Red'	Floriferous and easy to grow, will delight you with its bright red blooms bearing orange undertones. Ht. 3'
Rosa 'Starina'	Orange-red flowers on a miniature rose bush growing up to 18" tall - tiny leaves - hardy to zone 5
Rudbeckia 'Goldstrum'	Golden yellow, daisy-like flowers have a distinct yellow cone. Long blooming. Ht. 30"
Rudbeckia 'Little Goldstar'	A dome of star-shaped, 2", golden yellow blossoms. Bushy clump of rich green foliage. Ht 16"
Sagina subulata (Irish Moss)	Green leaf form of Corsican pearlwort - best with moisture in shady conditions
Salvia 'Bumbleberry'	Compact foliage with dark fuchsia-pink flowers in mid-summer - nice reliable border plant - 10 to 12" tall
Salvia nemorosa 'Caradonna'	Very unique purple stems compliment the violet blue flowers - grows to 24" tall
Sambucus 'Straight Laced'	Deeply cut foliage is jet-black - pink flowers on foliage that twists and turns - can reach 8' - hardy to zone 4
Sedum 'Chocolate Ball'	Short mounding sedum with Chocolate-red foliage is feathery and contrasts dramatically with the yellow bloom.
Sedum 'Chocolate Drop'	Upright mounds of lightly scalloped, dark chocolate, glossy brown leaves. Ht. 14"
Sedum 'Fire Cracker'	Improved 'Cherry Tart' with cherry-red foliage, superior branching forms dense compact mound. Ht. 8"
Sedum John Creech	The small, scalloped green leaves of this weed-smothering groundcover are topped with pink flowers in fall.
Sedum 'Lidakense	This variety forms a flat, dense mat of blue-gray leaves tinged with purple on its edges.
Sedum 'Lime Twister'	A variegated sport of 'Lime Zinger', succulent bright green leaves with bold cream-colored edges on every leaf.
Sedum 'Marina'	Very blue sedum with a purplish tint in summer - mounding habit to 12" - rosy pink flowers late in the season
Sedum 'Mini Ewersii'	Nice compact groundcover sedum with blue to reddish-bronze foliage to 6"

Sedum kamtschaticum	Durable ground cover with toothed, glossy, dark green leaves, orange-yellow flowers. 5" high
Sedum 'Medio variegatum'	Rose Hill's favorite sedum. Variegated leaves with a pin-wheel growth habit- Unique.
Sedum nevii	Tropical sedum - zone 10 - low carpet of thick, silvery grey leaves blushed with bronze during the summer
Sedum 'October Daphne'	Arching stems with whirls of thick blue-green succulent leaves tinged pink near the edges
Sedum 'Ogon'	Tiny leafed sedum, noted it for its bright gold foliage. Star-like yellow green flowers in summer. Ht. 2" not hardy
Sedum 'Plum Dazzled'	This new sedum is the darkest purple of the compact types - very late bloomer - grows only 6 to 8" tall
Sedum rubrotinctum	Short leaves resembling beans that turn from green to bronze-red under stress. Yellow flowers - Zone 9 - poisonous
Sedum telephium 'Desert Red'	Flat spreading habit with small blue-green leaves that darken in high light conditions
Sedum 'Thundercloud'	Gray-green foliage has pointy edges and nicely textured. Blooms are white to soft pink, star-like bursts. 10"
Sedum 'Tokoyo Sun'	Fine, bright gold foliage with prostrate habit. A must have for the trough garden. Ht. 2"
Sedum-Tri Color	Features fleshy green leaves edged in white, taking on a pink blush in cooler weather.
Sedum 'Voo Doo'	Intense, reddish mahogany, foliage mat to 18" across. Gorgeous, almost neon, rosy-red flowers.
Sempervivum assortment	We offer over 25 different cultivars - especially showy during the cool season - keep dry
Sempervivum 'Peggy'	Deep purple foliage in spring changes to a lighter red as the season progresses - very hardy - medium sized rosettes
Senecio rowleyanus	Strands of pearl-shaped, green beads hang from this trailing, succulent plant. Ht 10-12"
Sisyrinchium 'Lucerne'	Narrow iris-like mound of foliage is topped with violet-blue flowers with a yellow throat - grows to 8" tall
Spirea 'Golden Elf'	Most compact of all the yellow foliaged spireas - grows only 6 to 8" tall - great miniature landscape plant - zone 4
Stachys 'Densiflorus'	Very dense, compact rosettes of glossy green foliage show off the lavender-pink flower spikes. Ht. 10"
Stachys 'Hummelo'	Sturdy spikes of lavender flowers shoot up from the foliage on tall stalks to 20" tall
Stachys 'Pink Cotton Candy'	Plump wands of cotton candy pink flowers-Green, basil foliage. Ht. 24"
Stokesia 'Peachies Pick'	Fringed flowers are lavender blue with whitish centers. Extremely floriferous. Height 14"
Thalictrum kiusianum	Low mats of slightly bronze-tinged green leaves, light lavender flowers, slow spreading ground cover.
Thymus 'Doretta Klaber'	One of the tightest forms we've ever seen. Small, fuzzy leaves form a 2"x12" mat.
Thymus 'Highland Crème'	Variegated edges of this thymus are cream-colored. Evergreen ground hugger with soft pink blooms.
Thymus Minus	Pours itself between rocks and other plants to form a tight rug of small overlapping gray-green leaves. Pink flower
Thymus pseudolanuginosus	(aka wooly thyme) Soft fuzzy gray-green leaves that are very aromatic - pink flowers in summer - 1" tall
Tiarella 'Sugar and Spice'	Glossy deeply dissected leaves with dark centers - pink and white flowers - 13" tall
Tricyrtis form. 'Gilt Edge'	Deep pink, spotted flowers August-September. Large, dark green leaves with narrow yellow-cream margins.
Tsuga 'Jeddeloh	A dwarf bird's nest selection with feathery arching tips and a slightly depressed center. Ht. 30"
Veronica 'First Love'	Brilliant, nearly fluorescent pink flowers on tapered spikes - cut back to encourage re-bloom - 10" tall
Veronica liwanensis	Colbalt blue flowers cover mat-forming foliage April-June. H 1-2" W 12" Zone 4
Veronica 'Very Van Gogh'	Produces a plethora of paintbrush-like, rosy purple flowers on heavily branched scapes. Ht. 18-20"
	Cultivars in Bold are new items for 2018
