

## 2019 Rose Hill Gardens Plant Listing

<b>Abies koreana 'Cis'</b>	Miniature conifer -Dark green needles which lie flat on the stems and have attractive, brown buds at the branch tips
<b>Achillea 'New Vintage Red'</b>	compact,long blooming with hot pink red flowers that do not fade to brown - holds its shape and some re-bloom
<b>Acer palmatum 'Katsura'</b>	<b>Japanese maple</b> producing fantastic pale orange-yellow spring foliage which gradually fades to green
<b>Acer palmatum 'Seiryu'</b>	The only upright laceleaf <b>Japanese Maple</b> , this one is small in stature and has delicate foliage
<b>Aconitum fischeri</b>	Upright spikes of lavender-blue flowers - strong stems do not require staking -dark green glossy foliage -plant is toxic
Actaea simplex 'Black Negligee'	Valuable shade loving perennial to 4', very dark astilbe-like foliage, pinkish-white fragrant bloom in September
Aeonium 'Kiwi'	Dazzles the garden with a kaleidoscope of pinks, oranges and greens. Pale yellow flowers in summer. Ht 6-12" <b>Z9</b>
Aeonium 'Lily Pad'	<b>Succulent</b> -green leaves are very thick and succulent - forms an attractive rosette - grows 6 to 12" - <b>Zone 9</b>
Aeonium 'Zwartkop	Succulent- Nearly black foliage on this tender succulent which can grow to 4' at maturity
Ajuga 'Black Scallop'	A very crinkled, dark-leaved ajuga for groundcover applications - blue flowers early in the season
<b>Allium albidum</b>	Very diminutive narrow leaves on a short plant producing tiny white flowers in mid-summer
Allium 'Ivory Queen'	This extraordinary allium is a must have for all rock gardens!. Its white to pale pink blooms are 5-6" in diameter
Allium karataviense	This compact early blooming allium has very attractive foliage with pale lilac to near white golfball sized flowers
Allium maximowiczii alba	This is not only beautiful in bloom in mass but has lovely grey foliage that's attractive even when not in bloom
<b>Allium 'Medusa'</b>	Twisty leaves form a low mound of grey-green foliage - purple flowers in mid-summer - hardy and attractive plant
Allium 'Millenium'	Very hardy and reliable - purple-pink flowers in mid-summer - deer and rabbit resistant - 12 to 18" tall
Allium senescens 'Glaucum'	Nice border or edging perennial with interesting twisted leaves - pink flowers in August - only 6" tall
Allium 'Summer Beauty'	Long blooming with large terminal clusters of lavender-blue flowers, glossy dark green narrow foliage.
Aloe descoingsii	The smallest of all Aloes. stiff, short, glaucous green leaves with distinct white markings and toothed edges.
<b>Amsonia 'Blue Ice'</b>	Clusters of navy-blue buds open to large, periwinkle-blue star shaped flowers - bright green foliage - 14"
<b>Amsonia 'Storm Cloud'</b>	New stems emerge near black with silver veining - light periwinkle-blue flowers are quite persistent - grows 24 to 30"
Anacampteros rufescens	Succulent- Interesting reddish-dark green succulent rosettes - great plant for troughs and container gardens
Andropogon 'Red October'	This is a large bluestem grass that changes color from deep green to a fiery red by October - Very tall 5 to 6' tall
Anemone 'Rubra'	Caramine-red flowers on top of finely cut attractive foliage - grows to 10" tall - prefers morning sun
<b>Anemone sylvestris 'Snow Drop'</b>	Blooms late-spring - short compact plants that tolerate more shade - excellent woodland plant - pure white flowers
Antennaria neodica - Alba	Silver leaved tiny groundcover growing to 2" tall - white flowers in summer - aka 'pussy toes' - great trough plant
<b>Aquilegia 'Winky Red and White'</b>	Upward facing red and white flowers with small red spurs - compact mounds of blue-green foliage - early blooming
Aquilegia alpina	Deep blue, short-spurred flowers in May and June. Ht. 16" - readily re-seeds after bloom season
Aquilegia 'Leprechaun Gold'	Striking gold and green marbled foliage - red flowers - hardy to zone 4 - excellent in sun or partial shade
Aquilegia Red and White	Huge bold flowers, rich violet-purple outer petals with long colorful spurs with pure white inner petals.
Aremaria 'Nifty Thrifty'	Pink ball-shaped flowers bloom just above attractive green and white variegated foliage - 6" tall -hardy to zone 4
Aremaria 'Rubrifolia'	A purple foliage armeria with a profuse display of rose-pink flowers in early summer - evergreen foliage only 6" tall
Arenaria 'Wallowa Mountains'	Desert moss because it is an evergreen, exceptionally short and compact groundcover. Ht. 6" - great trough plant
Armeria martima 'Bloodstone'	Longest blooming sea pink - very compact - pink flowers in early summer - remove spent flowers for spotty re-bloom
Aruncus aethusifolius	Diminutive form of goats beard only 8" tall - white flowers - nice border plant - tolerates sun or shade
Aruncus 'Chantilly Lace'	New introduction - deep green foliage is covered with lacy white flowers in mid-summer - part shade

<b>Aruncus 'Fairy Hair'</b>	Needle-like, medium green leaves are very dissected - creamy-white feathery plumes in summer - grows to 20" tall
<b>Asclepias 'Hello Yellow'</b>	A care free perennial with golden-yellow blossoms followed by green fruits filled with silvery-white silky seeds
Asclepias tuberosa	A virtually hassle-free perennial, offering 3 months of tangerine orange blooms. Height 24"
Aster dumosa 'Wood's Purple'	Attractive dark green rust resistant foliage. Compact plants, purple flowers. Ht. 12-15" very late blooming
<b>Astibe 'Moulin Rouge'</b>	Unique petite form growing to only 6" tall - Fluffy reddish-purple flower plumes - dark green crinkled leaves
Astilbe 'Chocolate Showgun'	Glossy chocolate brown leaves, bright pink flowers make a stunning contrast to the foliage - 20" tall - mid-season
Astilbe 'Delft Lace'	Very attractive dark bronze foliage holds through the season. Contrasting pink flowers appear in mid-summer
<b>Berberis 'Gold Beret'</b>	Unique dwarf , low mounding gold barberry has attractive red new growth and also turns red in fall - very compact
<b>Berberis 'Sunjoy Todo'</b>	Sterile, disease resistant barberry - very glossy - semi-evergreen foliage with deep purple color-semi-dwarf
<b>Betula 'Royal Frost'</b>	A beautiful tree with year round interest due to its glossy purple foliage - white exfoliating bark in winter
Brunnera 'Alexander's Great'	Gigantic clumps carry bushel basket-sized leaves with silver-flecking. Ht. 30"
Brunnera mac.'Jack Frost'	Outstanding foliage plant - unique patterned leaves - blue flowers early summer - best in morning sun
Brunnera 'Sea Heart'	An improved Jack Frost with larger heart-shaped leaves and more pronounced variegation, more heat resistant
Brunnera 'Variegata'	Green and white attractive foliage with tiny blue flowers during early summer - trim back flower stalks after bloom
<b>Calla 'Picasso'</b>	Bicolor purple flowers with white edges - medium sized flowers - heavily spotted foliage - good pot cultivar
Calla 'Red Charm'	Spectacular blood-red flowers above dark green foliage with white spotting - 18" tall - dig bulbs and store for winter
Calluna vulgaris	A small evergreen shrub - hardiest of the heathers - makes a dense mat forming groundcover - zone 5
Campanula 'Genti White'	Dense mounds of dark green foliage, produces clusters of pure white flowers, some re-bloom - 18" tall
Campanula 'Birch Hybrid'	Compact blue bellflower excellent for the border or rock garden applications - spreads but not invasive
Campanula 'Clockwise'	Low growing clump forming perennial with profuse purple-blue flowering during mid-summer - 8 to 10" tall
Campanula 'Dickson's Gold'	Very dense and compact- bright gold foliage- profusion of lavender blue, star shaped flowers. HT. 4"-6"
Campanula 'Genti Blue'	Dense compact mounds of dark-green foliage with star shaped blue flowers arranged in clusters - 16 " tall
Campanula 'Rapido Blue'	One of the earliest blooming Campanula on the market with good vigor and uniformity. Ht. 5-7"
Campanula 'Rapido White'	1.5" bell shaped flowers on very compact plants - dark green foliage - blooms much earlier than the 'clip' series
Campanula 'Viking'	Eggplant purple, torpedo-shaped buds open to 2" lilac purple, bell-shaped blossoms at each node up the stems.
<b>Canna 'Phasion'</b>	Medium sized vibrant orange flower on top of green,bronze and pink variegated foliage - foliage is erect - tender
<b>Chaenomeles 'Double Take Pink'</b>	Spectacular early season display of pink blooms - thornless and drought tolerant once established - no fruits
Chelone lyonii 'TinyTortuga'	Very compact with Hot pink flowers and shiny dark green-bronze foliage. Ht. 12-16" - late blooming
Cimicifuga 'Chocoholic'	New Release- Half the size of Hillside Black Beauty with the same purple-black foliage Ht. 2-3ft
Coreopsis 'Berry Chiffon'	White flowers with a vibrant raspberry red eye bloom for months. Heat and cold tolerant. Ht. 18"
Coreopsis 'Daybreak'	Bright coreopsis with red on gold flowers - 12 " tall - very long bloom season - hardy to zone 4
<b>Coreopsis 'Hot Paprika'</b>	1.5" Rich deep-red flowers on a compact plant with deep green foliage with a rounded appearance. 15 to 18" tall
Coreopsis 'Red Elf'	Deep burgundy-red flowers are produced on thread-like foliage throughout the summer - compact at 10" - zone 5
<b>Coreopsis uptick 'Cream and Red'</b>	Cream flowers with dark red centers - long blooming flowers on plants that are mounded and tidy - 12 to 14" tall
Coreopsis 'Zagreb'	More compact and bushy form, fern-like foliage - bright golden-yellow flowers with a long bloom season, 15" tall
Cornus 'Pucker Up'	A red twigged dogwood with very distinct dark green puckered foliage - 3 to 4' tall - year round interest
Coryphantha sulcata	Bright yellow flowers in early summer. Very special selection. Needs excellent drainage - winter hardy if dry
Cotinus 'Winecraft Black'	A new semi-dwarf smokebush with saturated purple-black foliage that darkens as the season progresses - 5' tall
Crocsmia 'Lucifer'	ZONE 5 - Gladiola type foliage with brilliant red flowers in late summer - mulch heavily for the winter

<b>Dahlia 'Garden Wonder'</b>	Huge dinner plate dahlia - 10 to 12" crimson pompom blooms- pinch plants to keep them bushy - dig in fall
<b>Dahlia 'Kelvin Floodlight'</b>	Huge dinner plate dahlia - 10 to 12" light yellow flowers - pinch plants to keep them bushy - store tubers over winter
<b>Dahlia 'Thomas Edison'</b>	Eye-catching dinner plate dahlia with huge deep purple 8" blossoms - strong sturdy stems - tubers must be dug
Delosperma Echinatum	<b>Tender succulent</b> - aka 'Pickle Plant' - unique bristly leaves produce small yellow flowers in summer
Delosp. sphalmanthoides	Tiny, finger-like leaves grow in tight mat that is smothered with fuchsia flowers in very early spring.
Delosperma 'Fire Spinner'	Low growing ground cover with unusual flower pattern of orange tips with a lavender center - heat tolerant, 3" ht
<b>Delosperma 'White Nugget'</b>	A very cold hardy ice plant - blooms with white flowers in early summer - very compact plant tolerates moisture
<b>Delphinium 'Lt Blue White Bee'</b>	Genetically dwarf delphinium - light blue flowers with white centers flowers will begin to spike in June - 18 to 20"
Delphinium 'Summer Cloud'	Similar to Blue Butterfly but flowers have a contrasting white center - tolerant of heat and humidity - 12" tall
Dianthus 'Electric Red'	Rich red double flowers are held on sturdy stems above the attractive blue-green foliage - 8" tall - hardy to zone 4
<b>Dianthus 'Lavendar Lace'</b>	Single raspberry-pink flowers with lavender edges on compact plants - attractive grey-green foliage - very floriferous
Dianthus 'Neon Star'	Tight 7" mounds of blue-gray foliage - heavy bloom during cooler weather - very bright pink flowers long blooming
Dianthus 'Romance'	Bright salmon pink double flowers with a red center - compact 8" mounds of attractive blue-green foliage
Dicentra 'Gold Heart'	Stunning spring color with brilliant gold foliage and rosy-pink heart-shaped flowers. Ht. 24-30"
Dicentra 'King of Hearts'	Very compact blue-grey foliage carrying pinkish-red flowers through the summer
<b>Dicentra 'Sulphur Hearts'</b>	Large sulphur-yellow heart shaped flowers on dark stems - blue-grey fern-like foliage is more blue in brighter light
Dictamnus albiflorus	Gas plant- spikes of unique, white, aromatic flowers in June. Very slow growing. H 2', W 2' Zone 3
Dictamnus albus 'Purpureus'	Gas plant- Dark veined, pink flowers. Long lived flowers. H 30", W 24" Zone 3 - avoid skin contact when pruning
Draba aizoides	Green cushions topped off with hot yellow flowers in early spring. Needs well drained soil. Great for troughs
Draba aizoides	Rock garden plant - small green cushions topped with yellow flowers in early spring - well drained soil
<b>Dracocephalum 'Fugi Blue'</b>	Sturdy foliage forms a nice clump - blue flowers form in mid-summer - grows to 1'tall - spreads 2' - unique perennial
Ech Sombrero 'Adobe Orange'	New Release- 3.5" intense orange flowers - dark green healthy foliage - prolific bloomer to 20" tall
Ech. 'Playful Meadow Mama'	New Release- Giant two-toned flowers that have pink petals with white tips that are fluted, dk foliage to 22" tall
<b>Echinacea 'Atomic Orange'</b>	Large , 4.5" attractive , vibrant tangerine-orange flowers with a dark cone - 16 to 18" tall - nice basil branching
<b>Echinacea 'Canary'</b>	Large 5" golden-yellow flowers with overlapping petals and golden-yellow cones. Flowers mature to soft yellow. 18"
<b>Echinacea 'Coral Craze'</b>	Large 5" coral-pink flowers mature to lavender-pink - wide petals - dark near-black stems add interest 26 to 28"
Echinacea 'Dble Scoop 'Mandarin'	Large, 4" wide flourescent orange pom-pom flowers on short , strong stems. 18 to 22" tall New Release
Echinacea 'Green Jewel'	Produces large green cone surrounded by lighter green gray petals, fragrant and compact. Ht. 24"
Echinacea 'Kismet Raspberry'	New Release- Raspberry-pink flowers on compact and sturdy foliage - long blooming - height around 16"
<b>Echinacea 'Lemon Yellow Imp.'</b>	Wide overlapping petals with a nice compact habit - rich yellow flowers with a copper cone on well brached plants
Echinacea 'Rainbow Marcella'	Opens tangerine-orange and matures to a stunning raspberry pink. Compact and free-branching. Ht. 18"
Echinacea 'Sensation Pink'	Striking 3" magenta-pink flowers mature to lavender-pink on dark sturdy stems, compact green foliage. Ht.18
<b>Echinacea 'Sombrero Hot Coral'</b>	3" coral-pink flowers with a copper colored central cone - this is a compact cultivar growing only 18 to 24" tall
Echinacea Sombrero 'Salsa Red'	Softly fragrant, spicy orange-red blossoms with on orange-brown cone - long blooming and compact at 24" tall
Echinacea 'Tomato Soup'	Warm, tomato-red flowers to 6" wide stunned our nursery visitors! Ht. 22"
<b>Echinacea 'Tweety'</b>	A very unique coneflower growing only 8" tall and 8" wide - Large bright-yellow flowers in mid summer - long bloom
<b>Echinacea 'White Fascinator'</b>	This cone flower is loaded with double white flowers - upright and clumping habit - 18" tall - blooms late summer
Echium amoenum 'Red Feathers'	Forms low growing mounds of narrow dark green leathery foliage. Russet-red flower spikes. 10-16" tall
Echeveria 'Chroma'	Succulent- rosettes of dark purplish-bronze leaves dappled with pink,apricots and near whites - <b>zone 9 to 11</b>

Echeveria 'Nudulosa'	Succulent- Red markings define the interior and edges of each leaf - pinkish-white flowers in the fall - <b>zone 9 to 11</b>
Echeveria 'Perle Von Numberg'	Succulent- rosettes are glazed with translucent pink and purple - very popular succulent - grows to 6" - <b>zone 9</b>
<b>Epimedium 'Frohnlaiten'</b>	Bushy evergreen leaves marbled in bronze - sprays of bright lemon-yellow flowers appear in spring -groundcover
Epimedium rubrum	Lilac-rose flowers blooming very early on compact 12" plants - best in semi to full shade
<b>Epimedium 'Sandy Claws'</b>	New foliage has dramatic maroon coloring, mellowing to dark green by summer - flowers early spring - cream flowers
<b>Erigeon scopalinus</b>	AKA rock fleebane - mat forming herb rarely growing more than 1.5" tall - yellow flowers appear in mid-summer
<b>Eryngium 'Jade Frost'</b>	This unusual cultivar has grey-green leaves edged in creamy white - flowers are a rich violet blue - tolerant of heat
Euonymous 'Gold Splash'	Big rounded leaves displaying a wide, deep golden-yellow edge - very ornamental and striking - zone 5
Euphorbia 'Bon Fire'	Exciting new perennial cultivar in high demand - very dark foliage with golden flowers in Late May
Euphorbia 'First Blush'	Yellow bracts in early summer above white, pink & green foliage
Faucaria Felina	Fascinating, chunky, triangular leaves have distinctly tooth margins; yellow daisy-like flowers. Ht 3-6"
Fern 'Frizelliae'	Sport of the popular Lady Fern with very narrow and scalloped fronds - very unique - moist cool conditions
Fern 'Ghost'	Very similar to the 'Bradford Beauty ' fern - cross between the lady Fern and the Japanese Painted Fern
Fern 'Parsley'	Dark green, crinkled and crested foliage that somewhat resembles parsley. Ht. 18"
<b>Fern 'Regal Red'</b>	This cultivar is an outstanding selection of the painted fern - best color in partial or bright shade - intense coloration
<b>Festuca 'Beyond Blue'</b>	Intense powder-blue that holds its color throughout the season - the best fescue currently available - 9 to 12" tall
Gaillardia 'Arizona Red Shades'	Compact and self branching crimson-red flowers - foliage is 10 to 12" tall - often comes back from seed
Gaillardia 'Arizona Sun'	Produces masses of large, 3" diameter, fiery orange-red blooms tipped by a ring of rich flame yellow. Ht. 8-10"
Gentiana 'Blue Cross'	Intense blue violet flowers on a compact durable drought resistant plant. Ht. 10"
<b>Gentiana 'Royal Stripes'</b>	Low growing gentian prefers acidic, well drained soil - flowers are blue and white - nice rock garden plant
Gentiana 'True Blue'	2" tubular, true blue flowers which open at the nodes all up and down the stems. Ht. 24" - late bloom

<b>Grass 'Burgundy Bunny'</b>	The only miniature grass that shows some red color in the summer followed by all over red color in the fall -12" tall
Grass Carex musk. 'Oehme'	Attractive variegated palm sedge - has high moisture requirements but is very hardy for our area - 24" tall
Hakonechloa 'Aureola'	Long arching bamboo -like golden leaves with dark green margins - grows to 16" tall - best in partial or full shade
Hakonechloa 'Sunflare'	Chartreuse-gold grass blades with a touch of burgundy at the tips - 14 to 18" tall - best in shadier locations
<b>Helinium 'Siesta'</b>	Deep blue-red petals surround a maroon and yellow cone - late blooming - 24 to 30" tall
<b>Heliopsis 'Summer Pink'</b>	Dramatic pink and green variegated foliage on dark red stems - bright yellow daisy-like flowers- sturdy 12" plants
Heliopsis 'Sunstruck'	Big improvement on 'Lorraine Sunshine' - deeper yellow flowers that have more petals - more compact at 14 to 16"
Heliopsis 'Tuscan Gold'	Sunny yellow flowers have golden centers - dark green leaves are mildew resistant - larger flowers than 'Tuscan Sun'
<b>Helleborus 'Confetti Cake'</b>	2.5 to 3" double white flowers with burgundy speckling concentrated toward the center of the petals - 18 to 24" tall
<b>Helleborus 'French Kiss'</b>	3 to 3.5" single-white flowers lined with raspberry pink that veins in toward the center of the petals - 18 to 24" tall
Helleborus 'Ivory Prince'	Burgundy-pink buds open to outward facing, ivory blossoms streaked with rose and chartreuse.
Helleborus 'Painted Double'	Large, fully double white blooms that are speckled red and face upward - prefers afternoon shade - 14" tall
Helleborous 'Rose Quartz'	White petals with pleasing rose-pink around the edges -very large double flowers - rich soil and part shade preferred
Helleborus 'Royal Heritage'	Wide range of flower colors blooming in early spring - foliage can remain evergreen during the winter - 20 " tall

<b>Helleborus 'Spanish Flare'</b>	3" single light yellow flowers with maroon red flares - a very unusual color pattern for a Lenten Rose - 18 to 24" tall
<b>Helleborus 'True Love'</b>	3 to 3.5 " rich maroon-red flowers - plants have good vigor and are very floriferous - plants prefer rich soil - 18 to 24"
<b>Hemerocallis 'Bogeyman'</b>	An almost black daylily with contrasting yellow stamens and a green throat - flowers are usually double - 24" tall
Hemerocallis 'Cherokee Star'	Huge 7" bright red flowers in a broadly triangular form - yellow eye and throat - 24" tall - blooms in July - Zone 4
Hemerocallis 'Jim's Song'	Dormant tetraploid - unusual bluish-red color - early bloom season - scapes are 25" tall - hardy, dormant tetraploid
Hemerocallis 'Night Embers'	Early-mid, large 5" double flowers, deep velvety red petals have darker accents and a thin white line
<b>Hemerocallis 'Nosferatu'</b>	Very large, shimmering dark purple very sunfast flowers with a chartreuse throat and ruffled petals - Heavy bloomer
Hemerocallis 'Persian Ruby'	Huge purple red self with a green throat Tet - Dor - EM - 30" - 8" Very showy specimen plant
Hemerocallis 'Primal Scream'	Very large hot orange showy spider Tet - Dor - ML - 34" - 7.5" Very intense color that glows in the landscape
Hemerocallis 'RH Salmon Double'	Hybrid developed here at the gardens - very floriferous double salmon flowers with a long bloom season
Hemerocallis 'Royal Banner'	Purple with lavender eye and edge, sepals lighter lavender - hybridized locally - dormant tetraploid
Hemerocallis 'Ruby Spider'	Large ruby red spider with a gold throat Tet - Dor - E - 34" - 9" Similar to 'Ruby Spider' but orange-red in color
Hemerocallis 'Storm Shelter'	New introduction - Mauve colored blossoms have a showy darker eye and golden throat - July bloomer - 24" tall
Hem. 'Webster's Pink Wonder'	Huge pink flower with a green throat - largest daylily we sell Tet - SEV - M - 34" - 13"
Herniaria 'Sea Foam'	Fabulous, low ground cover with cream-edged, green centered leaves. H 1" W 12"
Heuchera 'Berry Smoothie'	New Release- rosy-pink to purple-rose color, very bright. Ht. 18"
Heuchera 'Black Pearl'	Blackest of the dark-leaved coral bells - glossy sheen adds to its beauty - white flowers in mid-summer - part shade
<b>Heuchera 'Cherry Truffles'</b>	New leaves are bright red, heavily ruffled and form a low mounding habit - in summer the color persists
Heuchera 'Forever Purple'	It's forever purple! Ultra-purple glossy leaves with fluted edges and great vigor. Ht. 15" very popular cultivar
Heuchera 'Forever Red'	Reddest leaves of any heuchera on the market - vigorous grower - best color during cooler weather - white flowers
<b>Heuchera 'Lemon Supreme'</b>	A new cultivar that was bred for sun tolerance - most other yellow cultivars burn in full sun - white flowers
<b>Heuchera 'Lime Marmalade'</b>	Very vigorous cultivar - sport of 'Marmalade' - lime-green frilly leaves
Heuchera 'Northern Exposure Amber'	New Release - clear, round, amber-yellow leaves forms a dense, medium sized mound - very hardy
<b>Heuchera 'Northern Exposure 'Red'</b>	Round leaves in clear, dark red adorn the dense, medium sized mounds - greenish-yellow flowers in mid-summer
Heuchera 'Paris'	The best rebloomer. Large, deep rose-pink flowers-Green foliage with silver overlay. Ht. 10"
<b>Heuchera 'Peachberry Ice'</b>	Large 4.5 to 5" apricot-orange leaves have a silver overlay - color is most intense in cooler weather
Heuchera 'Silver Gumdrop'	Proven Winners - iridescent leaves are topped with vibrant pink flowers - leaves have rosy blush late in season
Heuchera 'Twist of Lime'	Incredibly wavy chartreuse yellow leaves - dappled shade or morning sun will keep it from scorching - 14" tall
<b>Heuchera 'Wildberry'</b>	New cultivar - large, scalloped, glossy leaves are a bold shade of purple - charcoal veins add interest
Heucherella 'Solar Eclipse'	Leaves of red brown bordered in lime green combined with such a beautiful habit and broadly scalloped leaf edge
<b>Hibiscus 'Berry Awesome'</b>	A stunning cultivar with a densely compact habit of deeply lobed maple like leaves - very dark foliage - pink flowers
<b>Hibiscus 'Holy Grail'</b>	Incredibly dark, near black leaves - 8 to 9 inch deep red flowers - plants are very late to break dormancy in spring
Hosta 'Afterglow'	Large, green, heart-shaped leaves with striking, wide yellow margins. Large Ht. 24"
Hosta 'American Icon'	This attractive, large mounding plant has rounded green leaves with a slightly rippled yellow margin
Hosta 'Angel Falls'	A variegated sport of the hosta 'Niagara Falls' - very large cascading leaves - green margins and white centers
Hosta 'Appletini'	Leaf color is bright yellow in spring, changing to apple green by July 1; wavy; smooth-textured (mini)
Hosta 'Autumn Frost'	The leaves emerge frosty blue with a bright yellow margin that lightens to creamy white during the summer. (M)
Hosta 'Avacado'	Large cultivar which is a sport of 'Guacamole' has large glossy- apple green foliage - very fragrant white flowers
Hosta 'Baby Booties'	Compact mound of white-edged foliage. Creamy white margin; Oval-shaped blade. Ht. 5" W. 19" (mini)

Hosta 'Ben Vermooji'	Medium hosta with incredibly thick blue leaves with a creamy-yellow margin - 16"x28" - light lavender flowers
Hosta 'Beyond Glory'	An attractive sport of 'Old Glory' with a much wider and more prominent green margin up to 3" wide
Hosta 'Blue Angel'	Older classic hosta sporting very large blue-green leaves - still very popular due to its large size
Hosta 'Blue Dolphin'	Giant cultivar heavily corrugated blue-green leaves have a distinct upright growth habit.
Hosta 'Blue Ivory'	Stunning 'Halcyon' sport with a blue center surrounded by a very wide creamy white margin
Hosta 'Blue Mouse Ears'	Compact border hosta with unique rounded leaves which are grey-green in color
Hosta 'Blueberry Muffin'	Medium sized mound of blue foliage with thick leaves that are puckered - strong grower
Hosta 'Brenda's Beauty'	Plants are 18"high by 30" wide. Leaves are chartreuse turning yellow then ivory with irregular margins
Hosta 'Bridegroom'	A very distinct hosta with shiny dark green leaves that curl upward - very unique growth habit
Hosta 'Brother Steffan'	Very thick leaves that are slug resistant - Golden center with a darker green margin
Hosta 'Cameo'	Mini- Small, round, green leaves with creamy white margins jet towards the midrib.
Hosta 'Captain Kirk'	Attractive sport of Gold Standard with golden center surrounded by dark green edges
Hosta 'Cathedral Windows'	Large dome shaped leaves - golden leaves surrounded by dark green margins - large hosta
Hosta 'Cheatin Heart'	Plants are 7" high spreading to 14" wide .Leaves of this mini hosta plant are chartreuse turning yellow
Hosta 'Cherry Berry'	Margin merging with a golden yellow center that eventually seasons to white in summer
Hosta 'Cherry Tomato'	Miniature sport of 'Cherry Berry' - lance shaped white leaves with a dark green margin
Hosta 'Chesapeak Bay'	Plants are 24" high and grow 40" wide. The leaves form a partially upright mound of blue foliage.
<b>Hosta 'Christmas Candy'</b>	Medium green, lance shaped leaves have wide white centers - good vigor for a white-centered hosta -medium in size
Hosta 'Church Mouse'	Coarsely wavy leaves that form a cute miniature clump of thick, blue-green to green leaves. (S)
Hosta 'Color Festival'	Sport of 'Enterprise' that has a distinct yellow streak between the white center and dark green margins
Hosta 'Cookie Crumbs'	Very versatile due to its fast growth rate and compact size. Great <b>hosta</b> for containers and troughs.
Hosta 'Country Mouse'	Tiny blue-green leaves have a crisp white border on this sport of 'Bill Dress's Blue'. Vigorous grower
Hosta 'Cracker Crumbs'	Miniature - gold centered with a green margin - this is an attractive sport of 'Shiny Penny' - lavender flowers
Hosta 'Crumb Cake'	Tight flat mound of wavy honey-gold round leaves borne on shiny mahogany petioles.
Hosta 'Curly Fries'	Widely acclaimed for its narrow, ripple gold foliage; Makes an impressive container plant. (M)
Hosta 'Dancing Queen'	Features broad, wedge-shaped leaves of a bright yellow with a rippled edge. Lavender flowers. (L)
Hosta 'Desert Mouse'	Creamy-white leaves that turn white with a blue-green margin, member of the 'Blue Mouse Ears' family
Hosta 'Designer Genes'	Best yellow hosta with red petioles on the market - color fades later in the season - attractive red flower scapes - 22"
<b>Hosta 'Diamond Lake'</b>	Proven Winners cultivar - attractive heart-shaped, thick and heavily corrugated blue lvs with a wavy margin -leaves 9"
Hosta 'Dragon Tails'	Fast growing clump of long, narrow yellow leaves with a wonderful miniature wavy edge. (Mini)
Hosta 'Earth Angel'	Sport of Blue Angel - Heart-shaped blue/green leaves are bordered by a creamy white margin
Hosta 'Electrocution'	Medium sized <b>hosta</b> forms an upright mound of tightly rippled, twisted, long and narrow green leaves
Hosta 'Empress Wu'	Huge hosta attaining a height of up to 5' after 5 seasons - very large green leaves - specimen for the back border
<b>Hosta 'Etched Glass'</b>	Sport of 'Stained Glass' with wider margins and thicker leaves - yellow centers with dark green margins - puckering
Hosta 'Electrocution'	Large hosta with dark green-edged leaves is a sport of the ever popular 'Sum and Substance'. (L)
Hosta 'Enterprise'	Very unique hosta - white center with a green edge - green flecks often appear in the center of the white leaves
Hosta 'Firn Line'	Firn Line has thick blue blue leaves with nice yellowish white margins that quickly turn a clean white. (S)
Hosta 'Fire Island'	Brilliant yellow leaves accented by bright red petioles in spring. ... Best color if grown in morning sun

Hosta 'First Frost'	Outstanding sport of 'Halcyon' with a bright yellow margin in spring, fading to white in late summer.
Hosta 'First Mate'	Long wavy leaves with dark green margins and striking yellow centers - improved 'Capitan'
Hosta 'Forbidden Fruit'	Thick blue leaves with an orange-yellow center, complete tetraploid sport of 'Orange Marmalade', good plant. (M)
Hosta 'Frosted Mini Hearts'	Miniature mound of white and green misted foliage - Leaves are brightest white in spring
Hosta 'Frosted Mouse Ears'	Creamy white margin with a bluish green margin, thick slug resistant substance. Ht. 11"
Hosta 'Golden Needles'	Miniature sport of 'Silver Threads and Golden Needles' - speckling on the entire leaf - not just the center
Hosta 'Guacamole'	Hosta of the year for 2002 - shiny apple-green leaves margined by a wide dark green edge - fragrant flrs (L)
Hosta 'Guardian Angel'	Very large sport of 'Blue Angel' - ruffled leaves that emerge blue-green with an ivory center
Hosta 'Hadspen Blue'	Neat clumps of heart-shaped, grayish blue leaves about 5" long, 'Hadspen Blue' is a smaller Hosta variety
Hosta 'Half & Half'	Sort of 'Lakeside Cupcake' - instant spring color with dark green leaves and a white center - 12"x18" - white flowers
Hosta 'Hands Up'	Thick upright dark green leaves with a good visible yellow margin, good tetraploid sport of 'Praying Hands'.(S)
Hosta 'Hanky Panky'	Sport of 'Striptease'; makes a fast growing 3' wide clump of dark green leaves surrounded by a gold border
Hosta 'Heat Wave'	Cupped and corrugated chartreuse leaves with a wide blue-green margin - puckered leaves
Hosta 'Hans'	A very attractive sport of 'Andrew' but having much more vigor- white centers with green margins - medium
Hosta 'Hide Out'	Leaves are white- centered with a narrow green margin. Blade lance-shaped and wavy. Ht. 6" W 14" (S)
Hosta 'Holy Mouse Ears'	Same thick rounded leaves like 'Blue Mouse Ears' with a cream center
Hosta 'Hudson Bay'	Improved 'Eskimo Pie' - bright blue margins with a creamy center - heavy substance - near white flowers - large - 24"
Hosta 'Ice Follies'	Leaves with beautiful wide creamy white margins and a dark green center
Hosta 'Irish Luck'	Outstanding glossy green foliage - the shiny leaves have rippled margins - 18" tall by 36" wide
Hosta 'Island Breeze'	Wide, dark green margins stand in sharp contrast to the bright yellow centers in early spring. (S)
Hosta 'Jiminy Cricket'	Miniature to small hosta has dense, small yellow leaves that turn chartreuse with nice lavender flrs
Hosta 'Joy Ride'	Powder-blue leaves that are deeply cupped with extreme ruffled margins. Blue leaves in spring
Hosta 'June'	Thick textured gold leaves with a blue-green margin - our 2nd best seller - good substance
Hosta 'Jurassic Park'	Giant hosta with enormous green leaves - very heavy substance - background specimen 50"x50"
Hosta 'Kaleidochrome'	Narrow leaves are green with highly variable splashes, streaks, and patches of yellow to creamy white
Hosta 'Key West'	Large gold leaves that are heart-shaped and slightly wavy - large mound of bright gold foliage
Hosta 'Lady Bug'	Round, chartreuse to gold foliage. Great for the front of the border. (S)
Hosta 'Lakeside Banana Bay'	Round very shiny broad folded leaves with bright yellow centers and apple green edges (S)
Hosta 'Lakeside Meter Maid'	Medium sized hosta 18"x36" - Dark green leaves surrounding a large creamy center - lavender flowers in summer
Hosta 'Lakeside Paisley Print'	Heart shaped leaves with a very wide, wavy green margin. Narrow creamy white markings in the center. 10"
Hosta 'Lemontini'	Compact, small-sized mound of bright gold foliage. Gold leaves 3 3/4" long by 2 1/2" wide. (S)
Hosta 'Liberty'	Impressive sport of 'Sagae' with a wider gold margin - large plant but slower to mature - specimen
Hosta 'Little Devil'	Nice miniature <b>hosta</b> with long green leaves and a rippled white margin - vigorous grower
Hosta 'London Fog'	A new MISTED sport out of 'Allegan Fog' ; foliage completely misted- interesting and unusual. (M)
Hosta 'Loyalist'	Reverse variegation of 'Patriot' - very nice contrast between the green and white leaves
Hosta 'Maui Buttercups'	Bright gold 5" rounded leaves are deeply cupped and corrugated - heavy substance - low growing mound
Hosta 'Mighty Mouse'	Mouse ear-shaped leaves emerge blue-green with a bright creamy yellow edge - very thick substance
Hosta 'Mini Skirt'	Flirty, mini hosta that has very wavy, thick, blue-green leaves with creamy yellow margins. (mini)

Hosta 'Miss Susie'	Leaves of 'Miss Susie' hosta emerge bright yellow in spring and are held on bright red petioles
Hosta 'Montana aureo-marginata'	Huge pointed leaves with wide yellow margins - classic - early to emerge in spring - vase-shaped growth habit
<b>Hosta 'Mouse Capades'</b>	Dark green leaves with a wide creamy margin - sport of 'Mighty Mouse' - thick texture
Hosta 'Mouse Trap'	Smaller sport of 'Blue Mouse Ears' with white leaves and a blue-green margin - thick substance
Hosta 'Munchkin Fire'	New Miniature - short and narrow yellow leaves which hold their color the entire season - lavender flowers
Hosta 'Neptune'	This unique blue hosta forms a lovely cascading clump of narrow wedge-shaped leaves. Ht. 24" W. 36"
Hosta 'One Last Dance'	Sport of 'Dancing Queen' with dark green centers and very wide yellow margins - pale lavender flowers
Hosta 'Orange Marmalade'	Newer sport of 'Paul's Glory' with a yellow center edged with orange-green border - 18" tall
Hosta 'Pandora's Box'	Very popular dwarf hosta with bluish margins surrounding white centers - 2"x5"
Hosta 'Patriot'	Wide white margins surround rich green centers - 23"x50" - fast growth rate
Hosta 'Permafrost'	Blue-green center with a yellow margin that turns creamy white in the summer. (M)
Hosta 'Pocketful of Sunshine'	This cute small hosta grows quickly to form a compact clump of chartreuse to yellow cupped leaves. (S)
Hosta 'Popcorn'	small - unusual leaf form - long, narrow green leaves with "strap like petioles" - lavender flowers
Hosta 'Praying Hands'	Very unique growth habit as the leaves point upward almost touching each other
Hosta 'Pure Heart'	Sport of <b>Hosta</b> 'Mighty Mouse' with the reverse variegation - nice thick substance
Hosta 'Rainbow's End'	Yellow centered sport of 'Obsession' with very thick rubbery leaves and unique red scapes
Hosta 'Rainforest Sunrise'	Thick gold leaves are surrounded by a dark green margin - pale lavender flowers
Hosta 'Raspberry Sundae'	Compact with beautifully variegated leaves and striking deep burgundy petioles, leaf bases, and flower (S)
Hosta 'Remember Me'	Emerging leaves are bright yellow with a smoky green edge. Similar to 'Lune' but more white in the center
Hosta 'Revolution'	Leaves have a dark green border with a cream center that is uniquely speckled with green - lavender flowers -mid 20"
Hosta 'Rhino Hide'	Unique hosta due to extremely thick leaves - blue margins with a light green center - sun resistant - white flowers
Hosta 'Rippled Treasure'	Bluish early, changing to medium green early summer. Heavily rippled. (M)
Hosta 'Sage'	Wonderful specimen - vase shaped upright growth - 30"x70" - green w/ gold edge - faster growth than 'Liberty'
Hosta 'School Mouse'	Sport of 'Church Mouse' - has a clearly defined yellow margin on thick wax-like leaves - small 8"x14" - lavender flwrs
Hosta 'Seducer'	This showy hosta has large, dark green leaves with a slightly ruffled, gold margin. Ht. 26" W 40"
Hosta 'Sleeping Beauty'	This <b>hosta's</b> pointed leaves have a frosty blue appearance with a cream margin
Hosta 'Smash Hit'	Sport of H. 'Orange Marmalade' with wider margins and thicker foliage - gold foliage w/ green margins
Hosta 'Stained Glass'	1999 release from Shady Oaks nursery - sport of Guacamole - earlier coloration - large fragrant white blooms
Hosta 'Sugar Daddy'	Giant sport of 'Big Daddy' large cupped blue-green leaves with white streaks and margins - white flowers - 40"x24"
Hosta 'Sum & Substance'	Classic huge gold leaf hosta - # 1 on popularity polls - 32"x80" - slug resistant - great specimen plant
Hosta 'Sunlight Child'	Bright yellow lance-shaped leaves have a slightly wavy edge - miniature hosta good for the border
Hosta 'Sun Mouse'	Golden form of 'Blue Mouse Ears' but a little bit shorter and wider. Best with morning sun to enhance color.
Hosta 'Sunset Grooves'	A small sport of 'Rainforest Sunrise' - thick yellow leaves with a wide dark green margin - lavender flowers 12"x28"
Hosta 'Surfer Girl'	Green leaves 3 ½" long by 2" wide; medium green; rippled; smooth texture; average substance (S-M)
Hosta 'Teeny-Weenie Bikini'	Miniature - wedge shaped yellow leaves that change to cream later in the season - dark green margins
Hosta 'Tootie Mae'	Medium hosta with heavily corrugated, rounded blue leaves with a wide yellow margin - white flowers - 16"x18"
Hosta 'Touch of Class'	Very attractive sport of 'June' - thick waxy leaves that are held more upright than June
Hosta 'Volcano Island'	Tetraploid sport of 'Paradise Island' with thicker leaves and wider variegation - purple flowers - 15"x24"
Hosta 'Vulcan'	Sport of 'Captain Kirk' that differs by having a white leaf center. Bright white leaves

<b>Hosta 'Waterslide'</b>	Wavy ruffled leaves with heavy substance - blue rippled leaves hold their color well into the summer season - large
Hosta 'Wheee'	Ruffled, cream colored margins extend from the tip of each green leaf all the way down the petiole to the crown.
Hosta 'Whirlwind'	Stunning variegated hosta with a twist to the leaf - our top selling hosta over the past 20 years
Hosta 'White Feathers'	Very unique hosta displaying near white foliage early in the season - foliage eventually turns green with white stripes
<b>Hosta 'Wiggles and Squiggles'</b>	Bright yellow leaves are very long and thin forming a low wide habit - leaves are more chartreuse green in shade
<b>Hosta 'Winter Warrior'</b>	Colorful <b>hosta</b> with dark green leaves and a wide bright white margin. The margin emerges yellow
Hosta 'Woodland Elf'	Medium green center, white margin. Blade ovate-shaped and slightly wavy and cupped. Ht. 5" W 15"
Hosta 'Wrinkle In Time'	Sport of 'Pilgrim' with wavy margins -dark green leaves with creamy margins - lavender flowers - small - 9"x15"
<b>Hosta Wu LA LA'</b>	Sport of 'Empress Wu' with the same size but having a wider more prominent margin - blue-green leaves - very large
Hosta 'Yellow Polka Dot Bikini'	Sport of 'Striptease' that emerges with bright yellow margins and dark green centers
<b>Huernia 'Zebrina'</b>	<b>Succulent</b> -low-growing perennial succulent species more or less creeping, occasionally forming mats - Unique flrs
Hydrangea 'Bobo'	Dwarf 32" tall hydrangea with large white flowers in summer - strong upright stems - early blooming hydrangea
Hydrangea 'Firelight'	5' tall hydrangea with flowers that emerge white and eventually progress to a striking red color late in the season
<b>Hydran. 'Invincible Wee White'</b>	Tiny tidy hydrangea with abundant flower heads that flush soft pink aging to white and eventually green - 1.5 to 2'
Hydrangea pan. 'Little Lime'	A new dwarf form of the ever popular 'Limelight'. Great same size flowers but at one-third the size. Ht 3-5ft
Hydrangea pan. 'Little Quick Fire'	Same early bloom as 'Quickfire' but on a plant only 1/3rd the size - flowers initially are white but quickly turn to a red
Hydrangea 'Quick Fire'	White blooms appear in early June and turn to a rich deep pink. 6-8'
Hydrangea 'Tiny Tuff Stuff'	A miniature hydrangea only 3' tall - flowers range from blue to pink - distinctive arching habit
<b>Hydrangea 'Zinfin Doll'</b>	Many dense blooms that change from white to bright pink and then age to a dark red-pink - very strong stems - 6' tall
<b>Iberis 'Snowsurfer forte'</b>	Extremely floriferous, uniform mounds are covered with small white flowers in spring - 6 to 12" tall
<b>Ilex 'Gem Box'</b>	New broadleaf <b>dwarf evergreen</b> looks like a boxwood - Dense ball shaped plant - Small, dainty dark green leaves
Inula ensifolius	Very attractive mound of foliage covered with yellow daisy-like flowers in mid-summer
Iris Ensata 'Harlequinesque'	Purple-splashed, willowy flowers of phenomenal color -wide, velvety petals - prefers moist conditions
<b>Iris germanica 'Beverly Sills'</b>	Erect, tall bearded <b>iris</b> which produces numerous flamingo pink flowers w/ flaring falls in late spring -35" tall
<b>Iris germanica 'Swingtown'</b>	Outstanding large purple flowers - blooms later than most bearded irid - stalks up to 38"
Iris 'Maid of Orange'	Early outstanding orange blooms with a dark tangerine beard -produces 4 to 5 stems per rhizome - grows to 24" tall
Iris pumila 'Orange Plaza'	Diminutive iris with orange flowers on very low 10" plants - blooms earlier than the giant bearded iris
Iris germanica aureo. (yellow)	Attractive yellow and green variegated foliage with darker blue flowers in June - better vigor than Iris pallida
Iris pallida	Attractive green and white variegated foliage - blue-purple flowers in June add to the interest - great landscape plant
<b>Iris setosa</b>	Short, grassy leaved Iris species - deep violet-blue flowers in summer - hard to find in commerce
Iris sibirica 'Pink Parfait'	Very desirable pink-lavender double blooms on this siberian iris - prefers a moist soil and does well in part shade
<b>Juniper communis 'Gold Cone'</b>	Upright narrow habit- golden new growth fading to bluish-green in winter - height 3 to 5' and only 2' wide
<b>Juniper horizontalis 'Blue Pygmy'</b>	A diminutive, flattened globose selection of creeping juniper with dense, layered foliage - slowly spreading
<b>Juniper horizontalis 'Pancake'</b>	'Pancake' typically grows to only 2" tall but spreads over time to 24" wide. Great groundcover
Juniper 'Procumbens Nana'	This ground hugging Juniper provides a dense mound of branches that radiate from the center.
Juniper 'Shimpaku'	Foliage color is beautiful dark mint green all year round. Full sun preferred. Height 1ft
Kalanchoe tomentosa	Silvery, densely felted, fleshy leaves with brown markings on edges. Whitish flowers with light brown stripes.
<b>Kalimeris 'Blue Star'</b>	1" single pale-blue flowers on a compact mound of green all summer - loves heat and humidity - drought tolerant-18"
Kniphofia 'Fire Dance'	Forms low clumps of narrow arching blue-green foliage, multiple stems of coral-red and yellow pokers.

Lamium 'Herman's Pride'	Unusual mounding habit -silver veined green leaves -prefers some afternoon shade - yellow flowers in early summer
<b>Lamium 'Purple Dragon'</b>	Spreading patch of small silver leaves with a wide green edge - purple flowers early summer - tolerant of dry shade
Lavandula 'Super Blue'	It's short spikes packed with aromatic, deep blue florets. Blooming June to September. Ht. 12"
Leucanthemum 'Belgium Lace'	Forms a low mound with large, double white flowers with fringed petal tips. Flowers are light yellow
Leucanthemum 'Lapsider'	Pure white double, fringed flowers on compact plants - large flowers - will grow 12" to 14" tall
<b>Leucanthemum 'Real Charmer'</b>	Medium height, large double cream to lemon flowers with fancy fringed petals with deep golden centers - 22"
Lewisia 'Constant Fuschia'	Unlike other <b>Lewisia</b> , performs well in containers and in the garden. -great rebloom ability -dry in winter
Lewisia 'Elise'	Glorious shades of soft and vivid pinks, rose, salmon, white, yellow, orange, soft purple and lovely bicolor pattern
<b>Lewisia 'Elise Ruby Red'</b>	A solid colored reddish-pink lewisia - repeat bloom cycles during the summer - may overwinter if the soil remains dry
Liatris 'Kobold '	Good choice for mid-summer color - 24" flowers are purple - very hardy & easy
<b>Liatris spicata alba</b>	Upright stems, clothed in whorls of fresh green narrow leaves, topped by white fluffy flowers
<b>Ligularia 'Bottle Rocket'</b>	Proven Winners Cultivar - a very compact habit - thick serrated green leaves with yellow flower spikes on dk stems
Ligularia 'King Kong'	Huge 16" diameter dark leaves - best in morning sun - greener leaves in full shade - golden orange flowers - 3 to 4' tall
<b>Lillium 'Century Joy'</b>	Beautiful rose-pink blooms with a generous splash of deep purple at the center and following up the edges. 16"
<b>Lillium 'Cogoleto'</b>	Beautiful rosy-pink flowers adorned with a stunning array of deep burgundy-rose freckles
Lilium 'Conca d Oro'	Huge clear yellow with a lighter yellow tips. Very fragrant. Ht. 36-42"
<b>Lillium 'Empoli'</b>	Red-pink to dark pink, large 8" flowers with golden-yellow, star-shaped centers - 10 flowers per stem
Lillium 'Flashpoint'	Outstanding OT lily - red pink centers with a white edge - very sturdy - strong but sweet fragrance over 3' tall
Lilium 'Forever Susan'	Upward-facing lily resplendent in orange and plum. Its striking color presents a shiny, near-black look
<b>Lillium 'Heart Strings'</b>	Big, bold, beautiful blooms in a peachy yellow are tipped with vibrant raspberry - Asiatic - up to 48" tall
<b>Lillium 'Lady Like'</b>	The large-flowered 'Ladylike' has upward-facing pink flowers with broad golden centers.
Lillium 'London Heart'	Tomato red blooms with a heavy mass of black speckles concentrated on the inner half of the petals. 3'
<b>Lillium 'Magny Cours'</b>	Fragrant, large deep pink flowers edged with a thin line of white - fragrant - only 18" tall
Lilium martagon 'Album'	Vigorous bulb perennial with whorled leaves and racemes of pure white turkscap flowers. Ht. 2'
Lillium martagon 'Arabian Knight'	Pendant, deep russet-red Turk's Cap flowers with rich golden brushmarks overlaid with mahogany-red
Lilium martagon 'Claude Shride'	Dark red-mahogany flowers carry their color in the spots that peak through the orange of the flower centers.
Lillium martagon 'Gay Bird'	Pendant, pink Turk's Cap flowers with butter-ivory brush marks overlaid with smooth plum-garnet mark
Lillium mart. 'Manitoba Morning'	Produces bountiful pinkish-red blossoms, brushed creamy yellow at their center
Lilium mart. 'Orange Marmalade'	4' tall stalk adorned with up to 30 outfacing, 2.5" wide, lightly fragrant, bright orange flowers.
Lillium martagon 'Pink Morning'	Light pink pedulant flowers appear in June - prefers afternoon shade - clumps form after several seasons
<b>Lillium martagon 'Slates Morning'</b>	4' tall spikes of pendant orange-red flowers highlighted with a bright yellow eye-zone and small cinnamon spots
Lillium martagon 'Sunny Morning'	Hybrid with its racemes elegantly covered with bountiful golden-orange blossoms-dark spots
<b>Lillium martagon 'Terrace City'</b>	A seldom offered lily - speckled yellow flowers with orange spots - up to 20 flowers per stalk - best in morning sun
Lilium 'Matrix'	Compact lily growing to 18" tall - fiery red with orange brush marks - good bud count
Lillium 'Nymph'	Attractive OT lily with white petals and a rosy-pink center - can grow to 4' tall - nice fragrance
<b>Lillium 'Panda Joy'</b>	Short Asiatic lily for the border - 16" tall - purple center with white tips - very attractive
<b>Lillium 'Purple Eye'</b>	Tall Asiatic lily up to 45" - very dark center with pink tips - striking color combination
Lilium 'Salterello'	Orienpet lily producing very fragrant, golden yellow flowers on sturdy stems standing up to 5' tall
Lilium 'Tiny Padhye'	White with burgundy brush marks, spectacular color contrast. Ht. 16-18"

Lilium 'Triumphator'	Stunning color combination. Huge trumpet- like white flowers with almost maroon centers. Ht 60"
<b>Lillium 'Zambesi'</b>	Fragrant, long lasting, pure white flowers with a greenish-yellow midrib-It flowers in mid to late summer
Lily Looks 'Tiny Diamonds'	Attractive bicolor rose-red flowers on very compact border plants. 12 to 14" tall - early bloom season
<b>Lily 'Tiny Double You'</b>	Large, upfacing double orange flowers. This dwarf perennial grows 14 inches tall and prefers full sun
<b>Lily Looks 'Tiny Epic'</b>	A dramatic color combination with dark burgundy flower centers and creamy yellow tips - 5 to 7 flowers per stem -14"
Lilium 'Tiny Ghost'	Bold burgundy trumpet-shaped flowers with plum purple throats at the ends of the stems in summer
Lily 'Tiny Shadows'	Stunning burnt orange flowers with dark maroon centers on compact 14 to 16" stems.
<b>Lily OT 'Exotic Sun'</b>	Huge 8" upward facing double yellow blooms, glossy green leaves - produces 2 to 3 flowers per stem - fragrant - 48"
Lily OT Tabledance	Large, upright, showy pink buds that open to large pink flowers with white centers. It is very fragrant- 40" tall
Lily OT 'Touchstone'	Giant plum-purple flowers that are upward facing - 3 to 4 flowers per stem - fragrant - 44 to 48 inches tall
<b>Linum flavum 'Compactum'</b>	Dwarf golden flax - masses of bright golden flowers over lime-green foliage - 8"tall - 8" wide - hardy to zone 5
<b>Linum perenne 'Sapphire'</b>	Blue flax - dwarf plants with finely dissected foliage - 10" tall - 12" wide - hardy to zone 5
<b>Lobelia 'Fan Scarlet'</b>	Burgundy foliage with vivid scarlet flowers, excellent basal branching forms dense clumps with an upright habit - 24"
Lychnis ark. 'Orange Gnome'	Dwarf 8" bronze foliage - intense bright orange flowers - long bloom season - slow to emerge in spring
<b>Monarda 'Cherry Pop'</b>	Vigorous but not invasive monarda for the center of the border - mildew resistance - cherry red flowers - 20" tall
<b>Monarda 'Grape Gumball'</b>	Same characteristics as 'Cherry Pop' but with vibrant magenta flowers - long bloom season - 20 to 24" tall
Monarda 'Pardon My Cerise'	Proven Winner - Compact bee balm with dark cherry pink flowers blooming during the heat of summer. 16"
Mukgenia 'Nova Flame'	Featuring dark-purple flowers blooming throughout the spring and colorful, leathery and jagged-edged
<b>Nepeta 'Cat's Pajamas'</b>	A small scale, early blooming nepeta - ball-shaped foliage is covered with long dark flower stems & blue flowers
Nepeta 'Kitten Around'	Tidy compact catmint - smallest form on the market - very long blooming - blue aromatic flowers - 18 to 20" tall
<b>Oenothera 'Crown of Gold'</b>	Crown of deep-green and golden foliage - showy bright yellow blooms during the summer months - ht is 10"-18"wide
<b>Pachysandra terminalis</b>	Shrubby evergreen groundcover which grows 8 to 12" high - spreads by rhizomes - green glossy leaves -white flowers
<b>Pardancanda 'Dazzler Series'</b>	Dwarf strain with swordlike foliage produces 1 1/2 flowers in rich hues of yellow, orange, red, pink&lavender
<b>Papaver 'Allegro'</b>	Bright red flowers with attractive black stamens - this cultivar is compact and non-sprawling - Cut back when yellow
<b>Papaver 'Pink Perfection'</b>	Ruffled rose-pink frilly blooms with a very dark center - Flowers are held upright on strong stems - Height is 30"
<b>Papaver 'Royal Wedding'</b>	Large pure white flowers in late spring - centers are an attractive purple-black - 30" tall - cut back yellowing foliage
<b>Penstemon 'Black Beard'</b>	Incredible dark eggplant purple foliage - lilac purple flowers with white flaring tubes - stays strictly upright all season
Penstemon 'Red Riding Hood'	Abundance of huge, white tipped, coral-red flowers - 22" tall - drought tolerant perennial
<b>Peony 'Early Scout'</b>	One of the earliest hybrid peonies to bloom - crimson single flowers are produced on attractive fern-like foliage
Peony 'Bartzella'	Spectacular cross of a herbaceous and tree peony - incredible large yellow flowers on sturdy stems - specimen plant
Peony 'Hanikisoi'	Tree peony - Huge double pink flowers - grows to 4' tall - hardy to zone 4
Peony 'High Noon'	Tree peony - Huge yellow flowers - grows to 4' tall - hardy to zone 4
Peony 'Houki'	Tree Peony - Large double red flowers - woody shrub to 4' tall - hardy to zone 4
Peony 'Kaoukamon'	Developes into a large woody shrub that needs no support - this cultivar is a very dark maroon - eventual height is 4'
Peony 'Red Charm'	Early, huge double red, bomb type flowers have heavily ruffled centers - strong stems but staking is recommended
Peony 'Renkaku' white	Large woody stems produce very large white flowers - no support is necessary due to the strong woody stems - 4'
Peony rubra flora	Very popular with dense fern like foliage - double deep-red cup shaped flowers -early blooming - may go dormant
Peony 'Shimadajin' puple	Developes into a large woody shrub that needs no support - this cultivar has huge double purple flowers - 4' tall
Peony 'Shimanishiki''	Developes into a large woody shrub that needs no support - this cultivar has huge showy white flowers - height is 4'

Peony tenuifolia Rubra Plena	This is the famous and highly ornamental Japanese fern leaf peony - very fine foliage with double red blooms in May
<b>Perovskia 'Little Spire'</b>	Shrub-like perennial with irregular growth habit - grey-green foliage produces lavender blue flowers in summer -24"
<b>Phlox 'Bambini Candy Crush'</b>	Compact phlox measuring 10"x10" - bicolored pink and white flowers - long bloom season - can be grown in pots
Phlox 'Blue Flame'	Dark blue buds open to blue & white pin wheeled flowers, strong stems with excellent branching. Ht. 16"
<b>Phlox 'Bubblegum Pink'</b>	Bubblegum pink blossoms are accentuated by dark pink eyes - this cultivar is very mildew resistant - 18"x 18"
<b>Phlox 'Coral Crème Drop'</b>	Coral star-shaped flowers with white highlites - grass-green foliage - plants are 18 to 24" tall - fragrant blooms
Phlox 'Danielle'	Fragrant, pure white blooms. Green foliage, extremely mildew resistant. Drought tolerant. Ht. 26"
<b>Phlox 'Fort Hill'</b>	Moss-like foliage with masses of pink flowers appearing early in the season -colorful ground cover - only 6" tall
Phlox pan. 'Laura'	30" tall -mildew resistant - lavender purple flowers with a white star center - strong stems
Phlox 'Red Flame'	New Introduction - Same characteristics as above but with intense red flowers
Phlox 'Scarlet Flame'	Moss-like foliage with bright pink flowers having a reddish center - early season bloomer - grows only 6" tall
<b>Picea abies Mikulasovice'</b>	<b>Miniature conifer</b> - Diminutive form of Norway Spruce growing only 2 -4 inches per year - very hardy - 2'High x 3' Wide
<b>Picea abies 'Tomp'</b>	<b>Miniature conifer</b> - Superior alternative to the dwarf alberta spruce - excellent for rock gardens - grows 2-4"/year
<b>Picea glauca 'Blue Planet'</b>	<b>Miniature conifer</b> - Extremely tiny needles - grows only 1"/year - excellent plant for troughs or railroad gardens
<b>Picea glauca Echiniformis'</b>	<b>Miniature conifer</b> - dwarf spruce with a gumdrop shape when young - grows 2"/year - 1.5'x 1.5' at maturity
<b>Picea glauca Jean's Dilly'</b>	<b>Miniature conifer</b> - very small and slow growing alberta spruce - grows 2 to 4" per year - 3' high x 1' wide at maturity
<b>Pinus parviflora 'Goldilocks'</b>	<b>Miniature conifer</b> - popular selection of Japanese White Pine - weeping habit - hardy to zone 5
Platycodon 'Astra Pink'	Interesting balloon-like buds burst open into light pink beautiful bell-shaped flowers. Ht. 8-10"
<b>Platycodon 'Fairy Snow'</b>	Compact white-flowering form of the common balloon flower - only 8" tall - very late to break dormancy
Platycodon 'Sentimental Blue'	Long-lived and trouble free cultivar - interesting balloon-like buds open to blue dwarf shaped flowers - only 6" tall
Polemonium 'Brise D' Anjou'	It's variegated green and creamy-white leaves look for all the world like some exotic fern. Ht.18"
Polygonatum fal. variegated	Slow clumping woodland plant with showy variegated foliage and white flowers in early summer
<b>Portulacaria variegata</b>	<b>Succulent</b> - Very showy green and white rounded leaves aona dark colored fleshy stalk arching outward - <b>zone 9</b>
Prunella Summer Daze	Forms compact mounds of oak leaf-shaped foliage, vibrant pink flowers bloom on terminal clusters. Ht. 8-12"
<b>Pulmonaria 'Moonshine'</b>	Shimmering silver leaves feature neat dark green edges early on, then become prettily speckled with green
<b>Pulmonaria 'Pretty in Pink'</b>	Large, bright rose-pink flowers stay consistantly pink - dark green leaves are moderately speckled with silver - early
Pulsatilla vulgaris	Large purple bell-shaped flowers and fine cut lacy foliage. Ht. 10" - Seed heads are very ornamental
Pulsatilla vulgaris rubra	Lacy foliage with deep wine-red flowers blooming very early in the season -seed heads remain attractive after bloom
Rhamnus 'Fineline'	Very narrow upright fern like foliage - very ornamental - no viable seed - great hedge or accent plant
Rodgersia 'Cherry Blush'	Forms large clumps of large rough quilted foliage, green leaves take on bronze hues in spring. Ht 36"
<b>Rosa 'At Last'</b>	A fragrant modern rose - sunset-orange blossoms - heavy petal count resembling a hybrid tea rose - 3' high - zone 5
<b>Rosa 'Beauty Secret'</b>	Scarlet red blooms on a miniature rose bush - grows to 18" tall - hardy to zone 5 - repeat bloomer
<b>Rosa 'Deep Velvet'</b>	Velvety red miniature rose - Grows 12 to 18" tall - repeat bloomer - tiny leaves - hardy to zone 5
Rosa 'Julia Child'	Lovely butter yellow, plump blossoms will add color and interest to any garden spot. Size 4' x 4'
Rosa 'Livin La Vida'	Flamingo pink flowers on glossy green foliage - Continuous blooming and full petalled - 2.5 to 3' tall
Rosa Oso Easy 'Double Red'	Floriferous and easy to grow, will delight you with its bright red blooms bearing orange undertones. Ht. 3'
Rosa 'Starina'	Orange-red flowers on a <b>miniature rose bush</b> growing up to 18" tall - tiny leaves - hardy to zone 5
Rudbeckia 'Goldstrum'	Golden yellow, daisy-like flowers have a distinct yellow cone. Long blooming. Ht. 30"
Rudbeckia 'Little Goldstar'	A dome of star-shaped, 2", golden yellow blossoms. Bushy clump of rich green foliage. Ht 16"

Sage tricolor	Tricolor Garden Sage is a form of regular culinary Garden Sage - pink, green and white foliage add interest
Sagina subulata aurea	Golden form of Corsican pearlwort - prefers moist shade or partial shade conditions - center may die out over winter
Sagina subulata (Irish Moss)	Green leaf form of Corsican pearlwort - best with moisture in shady conditions - center may die out over the winter
<b>Salvia 'Blue Marvel'</b>	Largest flowers of any nemorosa variety - large spikes of deep blue flowers - compact and long blooming - 10 to 12"
Salvia nemorosa 'Caradonna'	Very unique purple stems compliment the violet blue flowers - grows to 24" tall
<b>Sambucus 'Laced Up'</b>	Deeply-cut foliage is jet-black with large pink flowers on an upright irregular plant that curves - can grow to 7 feet
<b>Sedeveria 'Blue Giant'</b>	<b>Succulent</b> - hybrid that forms a rambling, clustering plant with glaucous blue leaves - zone 9
<b>Sedum 'Atlantis'</b>	Beautifully variegated groundcover sedum - small, serrated leaves are dark green with a wide creamy yellow margin
<b>Sedum 'Autumn Charm'</b>	A variegated form of the famous 'Autumn Joy' - redish pink flowers in the fall - variegation is very stable
<b>Sedum 'Autumn Delight'</b>	Large, bright-pink clusters of flowers are accentuated by lime-green leaves with a dark-green serrated edge
Sedum 'Chocolate Ball'	Short mounding sedum with Chocolate-red foliage is feathery and contrasts dramatically with the yellow bloom.
Sedum 'Chocolate Drop'	Upright mounds of lightly scalloped, dark chocolate, glossy brown leaves. Ht. 14"
<b>Sedum clavatum</b>	<b>Succulent</b> - low growing sedum with frosted leaves tipped pink in bright light - 4 to 6" tall - tender sedum - zone 9
Sedum 'Dark Magic'	Stunning dk-purple leaves and stems and huge pink-purple flower panicles in fall, on multiple crowns
Sedum 'Desert Red'	Deep rose pink flowers in late summer mature to amazing shiny red seed heads - improved 'Dazzleberry'
