Compassionate Kidney Disease Diagnosis and Treatment
Promoting Quality of Life + Independence

New Patient Portal

Nephrology Associates would like to give you the opportunity to take advantage of our new “Patient Portal”. This online application will allow you, or an authorized representative, to be able to access your health information, including future appointments and your medical record.

For further information, please contact Pam Poston at 662-329-3838, option #8, or ask any of the staff of Nephrology Associates.
