

FC 043 Knife Control

Objective:

- To ensure control is maintained over all knives, blades and sharp items in the Company at all times. Such that the risk of loss or contamination is reduced to an absolute minimum and the risk of such items being mixed with products is minimised.
- To ensure that if any item is lost, a systematic search is carried out for it and that every possible measure is taken to prevent a lost item reaching a customer.
- To ensure that only employees who need knives have them and only when they have properly and successfully undertaken training, and to ensure that their whereabouts is known at all times.
- To ensure that all employees with a need to use knives are fully trained on the use and control of knives.
- To ensure a register is kept and maintained of all "sharp" items
- To ensure that all knives, when not issued, are stored safely and securely.
