

FC 002 Prospecting

Objective

To properly maintain, develop and control a database of prospects who have a reasonably verifiable known interest in purchasing injection moulding products. Whether existing or potential new products that could reasonably be supplied by the Company consistent with strategy.

To ensure we properly use and maintain the database to maximise our ability to convert prospects' leads to firm quote opportunities to orders in accordance with the Company's strategy.

To ensure we maintain a proper record of our prospecting activity.

To ensure we review and analyse our prospecting activity on a regular basis in order to manage and maximise results.
