

FC014 Concessions

Objectives:

To ensure all concessions are raised:

- only when reasonable to do so,
- properly, accurately and consistently,
- agreed with the client on a timely basis by the client prior to manufacture of mouldings,
- the signed concession is obtained and retained to properly evidence client approval,
- a proper & accurate record of all concession activity is maintained,
- efforts are made to ensure formal ISIR sign off is obtained at the earliest opportunity.
