The Signature Collection

classic | pure | indulgent

# MONULUXURY

Only the purest of ingredients make up our Signature Collection giving an indulgent finishing touch and a moment of bliss for your guests.

## THE BRAND

Established in Cheltenham Spa, the heart of the Cotswolds.

MONU is an independently owned British skincare brand that champions natural skincare. Possessing a rich history spanning over 30 years, MONU strives to offer unique products with proven results, by using only the most innovative ingredients and cutting edge scientific technology.

A bronze statue of Neptune, depicted with a long beard and holding a trident, stands as the central figure of a fountain. Water is being splashed upwards from the base of the statue, creating a misty atmosphere. In the background, classical columns and a building facade are visible, with the number '95' on one of the columns. The overall scene is dynamic and evokes a sense of grandeur and history.

# WHY MONU

**Proudly British:** We have manufactured in the heart of the Cotswolds for the past 30 years. Our products contain natural ingredients including essential oils and plant extracts, we source all our essential oils locally making our products skin friendly and environmentally friendly. 100% of our products are made in the UK.

**Stylish:** Our new guest amenity range has a timeless, contemporary design that will compliment any bathroom with unique turndown and special extras – from a reviving wake up mist, to a hydrating night mask. For your VIP and Spa breaks we also offer Collagen Eye Masks that can be presented as a luxury turndown gift.

**Bespoke offerings:** Independently owned giving us the flexibility to work with our partners to collaborate and create bespoke exclusive treatments and personalise our guest amenity range. Vast product ranges, including pillow

gifts, luxury overnight bags or simply bespoke your gift with our retail and spa range.

**Experienced:** Our products are a result of the direct supervision of a world class formulator and with continuous research for new formulations, MONU now occupies a leading position in the skincare industry and has done for the past 30 years

**Eco Friendly:** NO animal testing, NO synthetic perfumes or colours. Eco ethics are important to us, so all our packaging is fully recyclable and we source all our paper products from sustainable forests.

# FORMULATION

MONU Skincare products have been designed to bring out the best of your skin by using the best of nature. Our unique formulations utilise the innovative properties of pure ingredients to ensure your skin glows with natural radiance.

We believe that beautiful skin is achieved through innovative products that work for your skin, that's why we formulate our products to target specific skin types and concerns – there simply isn't a 'one size fits all' policy when it comes to caring for skin. Our products are formulated using the finest quality, natural ingredients and tested to the highest standard to produce a skincare range of which we are extremely proud.

As a result of continuous research and innovation, plus direct supervision from a world-class formulator MONU Skincare occupies a leading position in the skincare industry. All of our formulations are cruelty free and only natural, essential oils are used to add fragrance and colour, ensuring the finest of skincare ranges.

# MANUFACTURE

Based in the heart of the Cotswolds, we pride ourselves on being an independent skincare manufacturer, guaranteeing each and every one of our products and treatment packages are formulated and manufactured to the highest of standards.

We continually strive to create the next generation of skincare, utilising advanced manufacturing processes, our products efficiently deliver actives to the skin in a controlled and effective manner, ensuring your skin looks radiant and feels refreshed everyday.

We want you to feel good about using our products, not just because they work for your skin, but because during our manufacturing processes we endeavour to protect the environment. We do so in the following ways - our products, manufactured in the UK, use the finest of natural ingredients, our packaging - including all glass, plastic and aluminium tubes, bottles and cardboard cartons are recyclable, and all paper products are sourced from sustainable forests.

MONULUXURY

# THE SIGNATURE COLLECTION

## OUR THREE KEY ESSENTIAL OILS

The Signature Collection features three carefully selected zesty and invigorating key essential oils.

### Bergamot Essential Oil,

an essence taken from the peel of a Mediterranean citrus fruit. Its delightful fresh fragrance instilling an uplifting and calming effect upon your senses.

### Grapefruit Essential Oil.

Extracted from grapefruit peel the oil has a sweet, citrus aroma. Grapefruit having a highly revitalising and elevating effect on the emotions and the ability to strengthen the immune system and ease headaches ensures that you feel good on the inside as well as out.

### Lemon Essential Oil,

will work to deeply nourish the skin and improve the complexion, whilst leaving the skin soft and supple.

### Shampoo and Conditioner

Born from the Maria Galvin hair care formulation our kind daily shampoo gently cleanses the hair, leaving it looking refreshed and healthy. Whilst our rich creamy conditioner nourishes the hair to leave it looking smooth and glossy. Both coupled with 100% natural fragrance, refreshing and uplifting aromas of Lemon, Grapefruit, Bergamot, Orange, Mandarin, Clary Sage and Violet Leaf.

### Conditioning Body Wash

Formulated with naturally derived, mild foaming agents to gently cleanse the skin, the Conditioning Body Wash uses Soapwort Extract to provide a delicate lather whilst conditioners derived from Natural Honey help to both soften and nourish the skin. Finally completed with revitalising and stimulating aromas of Grapefruit, Lemon, Bergamot, Lemongrass and Rosewood Essential Oils.

### Enriched Body Cream

This indulgent body cream, that is perfect for all skin types, will comfort and hydrate even the most severely dry skin. Intuitively created to incorporate Marine collagen and Vitamin A to help restore firmness and elasticity. Completed with fresh, sweet aromas of Orange, Lemon, Geranium and Rosewood Essential Oils.

### Rosewood Reviving Mist

This energising toning mist for the face and body contains a refreshing blend of Essential Oils including Sandalwood, Lemon and Petitgrain. Spray all over after sports, swimming, travelling or simply to refresh and moisturise the skin after a bath or shower. Also perfect to fix make-up by lightly spraying the face.

### Papaya Bath Salts

Invigorating Sea Salt Softens, smooths and improves skin tone whilst Lactic Acid and Papaya Extract refine the skin to reduce the appearance of imperfections. Linseed Extracts work to replenish dry and dehydrated skin and Oat Flour soothes and calms irritation. Simply add to a warm bath or couple with the Warming Ginger Body Oil to transform it into an invigorating smoothing scrub.

### Warming Ginger Bath & Body Oil

Created with an uplifting mixture of aromatic Ginger, Lemongrass and Orange essentials to awaken the sense and provide an energising kick to tired muscles. The Warming Ginger Bath & Body Oil guarantees to restore elasticity and suppleness, ensuring that the skin feels thoroughly nourished and pampered. Massage onto the skin or drop into a warm bath and watch as the oil turns into a cleansing milk for an outstanding Cleopatrina Effect.

### Calming Vanilla Bath & Body Oil

A comforting blend of relaxing Vanilla and Citrus oils will ensure both body and mind unwind and relax to leave your guests feeling entirely calm and rested. Massage into the skin to restore suppleness and elasticity or drop into a warm bath and watch as the oil turns into a cleansing milk for an outstanding Cleopatrina Effect.

### Relaxing Bali Massage Oil

This fragrant oil contains Sandalwood, Bois De Rose and Lemongrass Essential Oils to soothe, relax and reduce tension. This oil rapidly absorbs into the skin and with the help of plant oils, nourishes and helps prevent dehydration.

# HOTEL

From quirky boutique hotels, stylish country guesthouses to indulgent spa retreats, The Signature Collection is the quintessential addition to any guest's bathroom. The timeless and contemporary design will blend in seamlessly and the indulgent invigorating scents of Bergamot, Grapefruit and Lemon of the ensemble will be sure to leave your guests feeling truly relaxed and refreshed.

Unique in the way that we independently manufacture our products, with the ability to create bespoke solutions for your guests and personalised products.

Make lasting impressions by treating your guests to that little bit extra, offering miniature skincare additions. Choose from our extensive range of skincare products including moisturisers, cleansers, serums, face masks and eye essentials to spoil your guests in every way. Then by tailoring your offering to the needs of your guests with personalised travel bags and pillow gifts, ensuring your guests' stay is truly memorable.

## SPA

Be it a flittering moment of tranquil bliss or a serene weekend retreat, your guests are sure to feel utterly pampered and revitalised with MONU. With a wealth of indulgent unique treatments, results driven products and a rich history spanning over 30 years in the professional skincare industry, you can rest reassured that we have every element covered.

Not only are you spoilt for choice with our extensive range of facial and body care products and treatments, but we offer bespoke treatments that empower you to create a therapy menu based on your clientele and seasonal needs through our tailor made skincare solutions.

# GIFTING

At MONU we know the importance of finding that perfect indulgent gift as a thank you or an added extra to a hotel break.

Our gifting collection allows you to select from everyday essentials, travel takeaways, our luxury boxed gifts packed with skincare, bath and body products designed to bring out the best in you using the best in nature.

MONU Classic designs and travel friendly offerings offer you the luxury of being able to bespoke your gift for your individual guests.

Find unique ideas for corporate guests and clients with our innovative range of skincare packages and gifts. Our corporate gifting bundles have been designed to impress and indulge clients at conferences and special events, ensuring your business stands out amongst the crowd and your guests leave feeling pampered.

VIP's are sure to be delighted with our thoughtful travel friendly offerings and fragrant skincare must-haves. Create a package to suit the needs of your clients and choose from our luxurious range of moisturisers and cleansers, body products and more - all created using a blend of invigorating essential oils and natural ingredients to nourish and refresh the skin

whilst giving your business the edge.

Whether it's a business thank you, treats for returning clients, conference treats, gifts or rewards, we offer a fantastic range of skincare products aimed at both men and women, plus anti-ageing and more to delight your clients.

#### SKIN PERFECTOR

A weightless cream which instantly smoothes imperfections and enhances natural radiance as it glides onto the skin.

#### TO USE

Every morning after cleansing and toning. Provides a smooth base for make-up.

Paraben free formulation. Avoid contact with the eyes. See your dermatologist.

# BESPOKE

Unique in the way that we independently manufacture our products, we offer you the chance to create tailor-made solutions for your guests and personalised products.

We can work with you to custom make treatments that empower you to create a menu based on your clientele and seasonal skincare needs.
