1) **"Millions Dollar Scene"**

It was amazing trip for us. Excellent foods and services. Millions Dollar Scene with reasonable room rates. Snorkeling and scuba diving in Nyaung Oo Phee Island which 1 and half hours away from Kaw Thaug is part of the trip and it was fantastic. Casino in Andaman Island is also quit exciting. Very nice hotel to relax!!!

2) **"Nyaung Oo Phee Island"**

Be aware, this island is not a peaceful place, it's a party place you just have to know it. If you like this kind of ambiance; dj, music, light show... around a large food buffet.

There are 2 kinds of rooms, the tents area is nice.... surrounded by a beautiful garden, the traditional room...tiny but well equipped, nice place for friend meeting.
