

## NETBALL

Netball is an action packed and fast paced game which requires a court surface which can handle whatever the players throw at it.

Hardcore performance sport surfaces give netball players a court specifically designed to meet the demands of speedy footwork and fast changing weather conditions. Giving back and pushing as hard as you do.

Hardcore sport surfaces ensure players can step with confidence with superb grip for quick moving feet, players rely on our court surfaces to keep them safe and in the game. No other netball court surface performs better than ours. That's a fact players attest to.

Give your netball courts the attention they deserve and your players the safest surface to compete upon. HardCore surfaces suit all levels of netball players, from beginners to pros. So why wouldn't you want to give them the best opportunity right from the word go?

## GAME ON

## CUSHION

### Hardcore 3 Cushion

An economic (3 layer) cushion option designed for clubs and individual players who require a cost effective – mid range synthetic rubber playing compound applied beneath the textured tennis or netball surface assisting with player comfort and reducing long term injury through high impact sports played on hard surfaces

### Hardcore 5 Cushion

The Hardcore 5 system is a full cushion (5 layer) application recognized globally as the minimum depth required for International tennis tournaments. This surface is completed with either our tennis or netball finish is designed specifically for a face paced or non-slip game

### Hardcore 7 Cushion

The Hardcore 7 system is our premium cushion (7 layer) application designed for maximum comfort adding to increased longevity for competition players serious about their sport of choice. Combined with the finish of your choice this court will add years to your playing life and will be seen as a valuable asset to any recreational area
