NETBALL

Netball is an action packed and fast paced game which requires a court surface which can handle whatever the players throw at it.

Hardcore performance sport surfaces give netball players a court specifically designed to meet the demands of speedy footwork and fast changing weather conditions. Giving back and pushing as hard as you do.

Hardcore sport surfaces ensure players can step with confidence with superb grip for quick moving feet, players rely on our court surfaces to keep them safe and in the game. No other netball court surface performs better than ours. That's a fact players attest to.

Give your netball courts the attention they deserve and your players the safest surface to compete upon. HardCore surfaces suit all levels of netball players, from beginners to pros. So why wouldn't you want to give them the best opportunity right from the word go?

PREMIUM SPORT SURFACES

BASKETBALL

Bring on the competition! Public and playground areas need a surface they can depend upon. One which gives back as much as it gets. One which requires minimal maintenance and one which demonstrates great value for money.

Giving players a surface worth playing on, shows you value the contribution they make to your community, club, school or sporting organisation.

Hardcore premium performance surfaces are engineered to not only look great and function correctly, but to also equalise the playing field and provide a Multi-sport mid-range application designed to entertain a number of sports with multiple line markings ensuring the best practical use of limited outdoor areas

By providing your sports teams with the highest performance court surface available you will encourage more player involvement and help maintain the ongoing development of any game they wish to peruse.

TENNIS

Great tennis players are more than just great sportspeople. Playing on an ITF (international Tennis federation) rated surface ensures player can max out their overall potential.

Investing in a premium performance court surface is essential for any club, school or organisation which takes tennis and competition seriously.

The range of surface applications provided by Kiwi Courts offer affordable options ensuring the best value for money and most reliable hard court playing surfaces throughout New Zealand. You will find our "Hardcore" courts give players certainty in knowing exactly how the surface will perform when it comes to both pace and spin. Now what player doesn't want that advantage?

LEAVE EVERYTHING ON THE COURT

CUSHION

Hardcore 3 Cushion

An economic (3 layer) cushion option designed for clubs and individual players who require a cost effective – mid range synthetic rubber playing compound applied beneath the textured tennis or netball surface assisting with player comfort and reducing long term injury through high impact sports played on hard surfaces

Hardcore 5 Cushion

The Hardcore 5 system is a full cushion (5 layer) application recognized globally as the minimum depth required for International tennis tournaments. This surface is completed with either our tennis or netball finish is designed specifically for a face paced or non-slip game

Hardcore 7 Cushion

The Hardcore 7 system is our premium cushion (7 layer) application designed for maximum comfort adding to increased longevity for competition players serious about their sport of choice. Combined with the finish of your choice this court will add years to your playing life and will be seen as a valuable asset to any recreational area
