

HARDCORE

PREMIUM SPORT SURFACES

BASKETBALL

Bring on the competition! Public and playground areas need a surface they can depend upon. One which gives back as much as it gets. One which requires minimal maintenance and one which demonstrates great value for money.

Giving players a surface worth playing on, shows you value the contribution they make to your community, club, school or sporting organisation.

Hardcore premium performance surfaces are engineered to not only look great and function correctly, but to also equalise the playing field and provide a Multi-sport mid-range application designed to entertain a number of sports with multiple line markings ensuring the best practical use of limited outdoor areas

By providing your sports teams with the highest performance court surface available you will encourage more player involvement and help maintain the ongoing development of any game they wish to peruse.

PLAY WITH ATTITUDE

CUSHION

Hardcore 3 Cushion

An economic (3 layer) cushion option designed for clubs and individual players who require a cost effective – mid range synthetic rubber playing compound applied beneath the textured tennis or netball surface assisting with player comfort and reducing long term injury through high impact sports played on hard surfaces

Hardcore 5 Cushion

The Hardcore 5 system is a full cushion (5 layer) application recognized globally as the minimum depth required for International tennis tournaments. This surface is completed with either our tennis or netball finish is designed specifically for a face paced or non-slip game

Hardcore 7 Cushion

The Hardcore 7 system is our premium cushion (7 layer) application designed for maximum comfort adding to increased longevity for competition players serious about their sport of choice. Combined with the finish of your choice this court will add years to your playing life and will be seen as a valuable asset to any recreational area
