We apologize about the delay start time at the Cummins Falls race on February 24th. We several day of registrations. Some park races will not allow day of registration so in the future we need to try and pre-register if possible. We had a difficult time sorting the 1 mile, 2 mile and 5K runners thus placement medals did not get handed out. Hopefully all kids enjoyed their finisher medals. There should be placement medals in future races.

Runners will be able to attend TUTORING/RECEIVE SNACKS on practice days at DBS if tutoring is offered that day. Please remember to sign your child out of tutoring those days.
