

A photograph of an outdoor bar setting. In the foreground, a wooden table holds two glasses of drinks on coasters. The glass on the left contains a red beverage with ice and a lime wedge, with two black straws. The glass on the right contains a light green beverage with ice and a lime wedge, with one black straw. To the right of the glasses is a black bowl filled with yellow chips. In the background, a person is seated at another table, and the scene is brightly lit, suggesting a sunny day.

Bespoke bar packages are available upon request and pre-paid options are available for weddings and corporate events. Please don't hesitate to get in contact with any queries.

Themed bars

We can supply a range of themed bars via our sister company I Do Festivals. Whether you are looking for a laid-back, rattan furniture decorated cocktail bar or an all singing all dancing Bollywood marquee we will find the solution to make your event a talking point for years to come.

Pimms station

A Pimms station complements any summer event. Having a dedicated bar serving Pimms by both the jug and glass has proved a very big success at many of our events and eases the congestion at the main bars in the hot summer afternoons. We generally offer a free Pimms station hire to all outdoor events with over 100 adult guests in attendance.

Please do get in contact with any queries or to discuss any special requirements you may have. Our friendly and experienced team are always happy to help and are confident that we can put a package together for you that will ensure your event is a roaring success.

The Festival Bar Company is part of the 'I Do Festivals' group, your one stop shop for all festival services. You will find information on our ancillary festival services on our website www.idofestivals.co.uk Special rates are offered when more than one service is booked via the I Do Festivals Group.
