Thank you for showing an interest in our exclusive flag hire services. Here you will find a comprehensive list of our services and hire prices.

Festival flags are a quick, effective, and environmentally friendly way to decorate any outdoor event and work as an excellent means of highlighting boundaries and pathways in outdoor venues as well as adding stunning and striking colours to complement your surroundings. We don't think any festival is complete without them!

All of our flags are constructed from lightweight silk polyester, so they fly easily in light winds and are extremely durable for outdoor use.
