The Perfect Audio Solution

Whether you are organising an intimate birthday celebration or a large scale Festival Wedding we can provide the perfect audio solution for you. Our PA rigs range from 3KW – 12KW, which simply means we can cater for events with up to 500 guests easily. Perfect for Wedding or Corporate events.

All of our systems are fully engineered by our team of experienced experts so our clients can relax knowing that their requirements will be taken care of on the day and that the system will be operated and monitored continually throughout the event.

Our bespoke audio packages will provide you with all of the equipment you need, be it for a live music event or an awards ceremony / wedding service.

Please note, due to the high operating standards we deliver and the monetary value of our equipment we regret that we cannot offer dry hire services on our audio packages.

Bespoke Stage & Light Packages

Staging and lighting can be offered as either part of an overall package or hired in on their own. We offer a range of staging solutions depending on your requirements. We can offer bespoke lighting packages too, from a small venue lighting rig to full festival lighting, including festoon and uplighters for outdoor festival use. Please get in contact with us to discuss your requirements and a member of our friendly team will be happy to assist you.

Full Audio, Light & Stage Solutions

Prices

We offer full sound, stage and light packages for large scale events. We provide a team of experienced engineers to set up, manage and pack down all equipment including all outdoor lighting. We can provide generators and fuel at excellent rates. Due to the bespoke nature of all enquiries please contact us to discuss your requirements and allow us to generate an accurate quote for you.

The Festival Sound Company is part of the 'I Do Festivals' group, your one stop shop for all festival services.
