

The Wedding Festival - Company

The Field Of Dreams
Romsey, Hampshire

PART OF THE
I DO FESTIVALS
GROUP

The Wedding Festival Company

The Wedding Festival Company is delighted to showcase our premier venue in the idyllic and breathtaking Hampshire countryside. This picturesque venue offers the complete package. Originally this venue was a former golf course, more recently it has been used for equestrian services.

From 2014 the Field of Dreams only hosts our exclusive events. Each year we select four celebrations that are held at this venue. The former post and rail separated fields from the equestrian days have created the most perfect and yet practical setting for a festival.

Set in approximately eight acres, our venue offers a main arena, quiet camping, boutique glamping, picturesque woodlands as a backdrop to the blessing area, bridal Sheppard's hut, authentic gipsy caravan which can be transformed into a photobooth, water points, campfire pit all set in stunning and secluded rural countryside.

X

The perfect festival wedding venue

One of the staggering elements to this venue is our ability to use light and trees. By day it is not overlooked and offers tree-lined grounds that can be decorated with your very own design. The woodland area has hand carved giant story telling chairs with Boho log displays, Shetland ponies that wonder the grounds dressed up and traditional farming props. By night it is lit with an array of LED uplighters, fairy lights and lanterns that turn the venue into a magical and mystical fairyland.

The bridal shepherds hut is offered complete with a beautifully dressed double bed, dressing table and its own veranda to give you that much needed quiet get-a-away. The camping and glamping areas are close enough for easy access to venue, but equally provides the tranquillity of sleeping under the stars. Centrally positioned is the hard standing that accommodates the luxury toilets and shower blocks. This venue really is a home from home by day and night.

Get in contact with us today to help you create your festival magic for any event in the Field of Dreams.
