What Our CLIENTS SAY ABOUT US...

The Corporate Festival Company helped us organise an awesome company festival. We had two days of a true (but glamorous!) festival experience in a beautiful setting which included working around our business content on day one, amazing entertainment and silent disco in the evening, and an old school sports day on day two. Everyone loved the relaxed feel, and the chance to work away from the office with people in the company they don't usually get to collaborate with. Unique, fun and perfect for team bonding... this quote from our feedback form says it all! "I can honestly say that this was the best away day I have ever had with not only this company, but in my working career! Thank you so much for organising!" Thank you to the whole team.

Kimberley Wadsworth – Procurement Leaders

SJ & her amazing team helped us to deliver an annual company conference that we won't forget in a hurry! This was our first "festival themed" event and we needed a lot of support and guidance, however SJ & Team were there for us every step of the way and came up with some fantastic ideas as well as taking ownership of manging the multiple logistics of our venue and entertainment providers . No request was not achievable from branded ping pong balls to amazing roaming bands! The event was perfect and we have had so much positive feedback from our teams, we cant thank you enough and you will be our "go to" festival company from now on – it was a pleasure working with you!

Lisa Casson – Lorien Resourcing

Thanks to SJ and her incredible team, a classic afternoon. Chill Fest was fabulous and our staff have quoted it being 'our best party yet'. You really did go above and beyond to make our summer party a special one. Hopefully we can get our Xmas one sorted with you! Thanks again xx"
