

V. MORA

We Bring Your Fashion Dreams To Life

QUESTIONS for your Pattern Maker

You must have a clear vision on your designs before meeting with your pattern maker. The number one thing that derails pattern making is indecision . whether it's a sketch or a garment that you bring them.If you have a fit in mind or like the fit of something- bring in a physical sample!

1. How much experience do you have?
2. Do you have an existing client list and examples of past work?
3. Do you charge hourly or per product?
4. Have you worked with knits and wovens?
5. What do you specialize in?
6. Do you do digitizing and grading?
7. Do you dress patterns by hand or do you use CAD?
8. If they use CAD, what system? Optitex, Gerber etc.
9. What are your fees for dressing patterns?
10. What are your fees for markers?
11. What are your fees for digitizing and grading?
12. Do you work with the seamstress?
13. Do you provide any further services?

Must haves:

Size chart

Sample of your fabric

Trims

Sketches

Must specify sample size for the pattern

Pattern making can not begin until you have your fabric. And being clear on your designs before beginning patterns.
