

2018 Annual Member Meeting

Wednesday April 18, 7pm
at the Eversource Building
Berlin, CT

Join Us to Hear From Two Important Speakers!

The CFL invites members to its Annual Meeting and Program. We are fortunate to have two speakers who each have had significant impact on issues important to us:

Susan Whelan, DEEP Deputy Commissioner

As Deputy Commissioner of DEEP, Susan Whalen is responsible for the State's system of 139 state parks and forests, wildlife management, inland and marine fisheries, boating, environmental education, and oversight of the Environmental Conservation Police force.

Margaret Miner, Executive Director, Rivers Alliance

Margaret Miner is the Executive Director of the Rivers Alliance of Connecticut, a non-profit whose mission is to protect rivers and streams in Connecticut by promoting sound river conservation policies and working with watershed protection groups statewide.

Matters for Member Vote

We will also be conducting a brief business meeting at which members will be asked to vote on two matters:

Election of Directors

Members will be asked to vote to elect directors to a two-year term. Roughly one-half of our 15 Board positions are up for election every year. The Board appointed a Nomination Committee per the Bylaws and it has recommended the following slate of candidates, all of whom have confirmed their willingness to serve:

John Burrell
Joe Carbonell
Maryellen DiLuzio
Anne Lizerralde
Chris Mayne
Chris Sanders
Rebekah White

All candidates are incumbents and are standing for re-election.

If any member wishes to nominate themselves or another member to become a Director of the CFL, please email your nomination to info@ctlakes.com by April 4th.

Amendment to Bylaws

Members will be asked to vote on a recommendation of The Board of Directors to make amendments to the CFL Bylaws to clarify some ambiguities, and bring them in line with proposed practice. A copy of the proposed changes can be viewed by clicking [here](#).

REGISTER TODAY!

Attendance may be limited by the size of the facility, so we ask that you pre-register to ensure a seat.
