workshop outline

ABOUT THE WORKSHOP

Participant will be briefed on the basic of working with concrete, tips and trick and how to find your own mold. The workshop will also cover the A-Z steps on how to make your own concrete pots! Participant will also have a chance to paint their concrete pots (optional) according to their creativity.

Instead of 1, you will go home with 2 concrete pots!
Price **EXCLUDE** airplant as you can choose and style your pots from Ohsum Mossum Terrariums's(IG: ohsummossum) air plant 'buffet'

ABOUT THE STARTER KIT

Participants will get a cute starter kit box to which contains the concrete mix, mixing bowl, spatula, waterproof matte sealant, sealant brush, sandpaper, safety tools and a mold for casting your own creation.

ABOUT THE HIGH-TEA

Yummy high-tea will be prepared by Cafe Atas59
