WHY vote for me?

I am excited to extend strong servant leadership to the Village of Pinehurst that is exemplified through 20 years of executive leadership and an additional 7 years of local community leadership.

As a servant leader I pledge to:

- listen receptively and intently to constituents and carry out their will;
- be aware of one's sphere of influence and the impact of decisions on others;
- research and understand lessons from the past, the realities of the present and consequences of future decisions;
- hold our Village institutions in trust and responsibility for the greater good of the community.

My vision for Pinehurst in 20 years?

To provide a progressive strategy and leadership that will render the Village of Pinehurst the most livable municipality in North Carolina.

We, the citizens of the Village of Pinehurst, have a unique opportunity to leverage our community assets to achieve my vision and what I believe to be the vision of Village residents.

To achieve this vision, we must collectively work to manage growth, infrastructure, and enhance services while respecting the Village of Pinehurst's historical personae.
