SAMARANG ASIAN PROSPERITY – Class B3 DISTRIBUTION (ISIN: LU0855167010)

a sub-fund of SAMARANG UCITS

Management Company: Samarang Asset Management S.A.

Objectives and investment policy

The objective of the sub-fund is to obtain a high investment return over time by investing predominantly in equities listed on the Asian stock markets, whose underlying business expansion is expected to generate a combination of capital growth and income.

The portfolio of the sub-fund will comprise a focused selection of Asian listed or orientated stocks.

Markets invested in will include both developed and emerging markets.

The sub-fund may use financial derivative instruments for hedging and investment purposes, such as but not limited to warrants, futures, options and forwards on currencies, interest rates and transferable securities. (Maximum of 100% derivatives exposure (netted)).

The sub-fund may use currency forwards in order to protect the value of the portfolio if exposed through underlying equity holdings to a currency which has the potential to weaken substantially.

In such circumstances up to 100% of the sub-fund's assets may be hedged.

The sub-fund may take exposure and additional risk through currency, index or equity futures, options or warrants for investment purposes, but will not actively invest in such instruments as this is not the core of its investment policy.

Recommendation: this sub-fund may not be appropriate for investors who plan to withdraw their money within 5 years.

Shareholders may redeem shares on demand, on a weekly basis (Friday).

Non-distribution shares: any income generated by the sub-fund is reinvested.

Please note that transaction costs may have material impact on performance.

Risk and reward profile

Historical data used may not be a reliable indication of the future risk profile of the sub-fund.
