

**Product: METHYLENE CHLORIDE**

Amylene Síabilised

Issued and prepared by Sutttons Group on behalf of INEOS Chlor Limited

|                                |   |
|--------------------------------|---|
| Certificate Number             | 676442  |
| Batch Numbers                  | 170809M   |
| Expiry Date                    | Two years from date of manufacture. This date assumes product is stored under recommended guidelines. |
| Quantity and packaging         | 80 x 265 kg DRUM  |
| Despatch date                  | 17/08/09  |
| Customer Order Number          | POI/607/2009  |
| Ineos Chlor Shipment number    | 51185042  |
| Conforms To Specification      | 212000  |
| Analyte                        | Results   |
| Appearance                     | PASS  |
| Water 1                        | 3 ppm w/w   |
| Colour                         | <5.0 Hu   |
| Amylene Content                | 51.2 ppm w/w  |
| Free Chlorine                  | None Detected   |
| Acidity as HCl                 | 0.0 ppm w/w   |
| % Purity by GC                 | 99.999 % w/w  |
| Residue on Evaporation         | <1.0 ppm w/w  |
| Other Chlorinated Hydrocarbons | 14.0 ppm w/w  |
