NEW LOCATION FOR 2019

We have some exciting news... we are moving!

The current location in Gosport St is no longer available to us in 2019 so we have the opportunity to move to a wonderful location at St Andrews church, or more commonly referred to as "the Elephant House".

I am still finalising all the details however the premises has a large room with floorboards and a pleasant area outside for parents to wait and pick up.

The address is:
1a St Andrews Place, Cronulla
(along the Kingsway)

NEW PERFORMING ARTS CLASSES - SUMMER CAMPS

In addition to our current dance classes we would like to introduce Drama, Singing and possibly Musical Theatre classes in 2019.

The idea has naturally developed from observing some of our students wanting to explore these areas and the opportunity to bring a Musical Theatre / Singing teacher on board through Jason, our Dance Teacher.

We would like to trial these classes over the summer and if it is well received we will put on permanent classes during Term 1.

If you are interested in learning more about any of our classes, please email Monika at monika@mcadancestudio.com

PROPOSED DANCE TIMETABLE

We are currently putting together our timetable for 2019 and the schedule for will be released shortly. We will still have Thursdays after school and possibly will be adding one more day due to expansion.

We won't be going ahead with the end of year performance this year as there is not enough time to master the choreography pieces. There is however a new strategy in place for the dance classes for 2019. As opposed to aiming for goals and achievements within individual terms, the strategy for specific achievements will be planned out for the whole year. There will be a repertoire of dances with specific goals (and possibly a theme) decided at the beginning of the year and children will be working towards these goals throughout the year. This will allow us to put a good quality show together at the end of the year.
