

Pet Policy

Thank you for choosing to stay at our property! We are a 'pet friendly' property; however, for the safety and enjoyment of all our guests, there are some considerations.

We happily allow dogs on our property, but due to insurance limitations, we must adhere to some breed restrictions. Although we understand this may pose an issue for some, we appreciate your understanding and cooperation in this matter.

Please adhere to the following rules and guidelines in order to ensure the quiet, peaceful, and comfortable nights lodging that is expected.

- Pets must be crated if left unattended in room.
- Guest complaints of disruptive behavior can lead to eviction with no refund.
- For the safety and welfare of our pet, please do not lock your animal in your vehicle for any extended period of time.
- Pets must be on a leash or in a crate any time they are outside of your room.
- Please call the front desk 20 minutes prior to departure so the room may be inspected by housekeeping.
- Pet owner assumes all responsibility for any accidents or injuries involving said pet.
- Pet owner / guest authorizes StayWise Inns to provide injured party personal information if necessary.
- Absolutely no cats are allowed.
- Breed restrictions apply.
- Extended stays are not eligible for Pet Rooms.
