MONU SKIN LUNCH TIME TREATS

Bio Eye Tech

This anti-ageing eye treatment uses freeze dried collagen eye patches which are especially suited for clients who suffer from dry, creepy skin around the eyes. The collagen patches will help to fight dark circles and puffiness, whilst a specialised eye massage containing lymphatic drainage techniques will improve circulation and revitalise the eye area.

Duration: 25 minutes

Cellular Repair Plus

Using a complex blend of Glycolic, Salicylic and Fruit Acids to eliminate dead cells, resurface, exfoliate, smooth and refine the skin. Peels although good for mature skin, are also a welcome treatment for anyone suffering with blocked pores and breakouts. With no downtime to this treatment, the skin will be resurfaced without trauma and the epidermis will be lifted, making dead skin cells easier to shed. It's a great treatment to help fight specific skin concerns like acne, pigmentation, uneven skin tone and texture, to generally increase overall skin health and radiance.

Face- Cleanse, Tone, Peel, Hydrating Moisturiser SPF15

Décolleté - Cleanse, Tone, Peel, Hydrating Moisturiser SPF15

Hands- Cleanse, Peel, Hydrating Moisturiser SPF15

Duration: 20 minutes

Flash Facial

A blend of active ingredients that will be delivered into the skin for instant hydration, plumping and provide all-round radiance. A quick pick me up facial to leave you feeling relaxed and your skin beautifully refined.

Duration: 25minutes

Polish & Perfect

A full body treatment that is tailored to your individual needs and will leave the skin feeling smooth, hydrated, fresh and energised. A perfect treatment pre or post-holiday, pre special occasions or for anyone looking to improve the texture, tone and softness of the skin.

Duration: 25minutes

Skin Analysis

Skin analysis is part of a professional facial treatment that helps the therapist thoroughly look at the clients skin in more depth to determine the skin type, skin condition, and what would be the best course of treatment to help fight their concerns.

Face mapping is a revolutionary approach to skin analysis. Looking at different ways to help improve the skin and carry out the most effective treatment which is going to be beneficial to the client.
