

Niels Ackermann

Managing Director and CFO

Vivonio Furniture GmbH

Niels Ackermann (48) has been CFO and Managing Director of Vivonio since 2011 and has thus played a major role in the formation of the current group.

After working many years in investment banking at Goldman Sachs and Morgan Stanley in the Mergers & Acquisitions and Capital Markets divisions, he served as CEO and CFO at several private and listed companies in the life science sector both at home and abroad.

Niels Ackermann holds a degree in business administration (University of Mannheim) and is a Chartered Financial Analyst (CFA Institute in Virginia).

Niels Ackermann is a passionate racing cyclist, runner and skier.
