

Quality Assurance & Guarantee

25 YEAR PAINT FINISH GUARANTEE*

This guarantee covers the powder coating applied to the aluminium systems supplied by Smart Systems Ltd. This guarantee covers the coated aluminium against the following faults:

- Peeling, powdering and blistering
- Corrosion except sure to bending or folding after the application of the paint
- Chalking, fading and loss of sheen out of the Qualicoat regulation Filliform corrosion
- If the end user is in one of the conditions to use this guarantee, Smart Systems shall search for the best solution to recover the work to its normal state.

*Exclusions apply

QUALICOAT

Licence n° : 549

Qualicoat is a quality label organisation committed to maintaining and promoting the quality of coating on aluminium and its alloys for architectural applications

This gives purchasers of coated aluminium the assurance that they will receive a premium-grade product delivering long-term value and consistent quality.

AFTER CARE

The end user of this guarantee is responsible for the maintenance and cleaning of the product. (See Smart Systems Cleaning, Maintenance and Repair Manual)
