Dear Member of the Business Community,

I am James Bernard Dorsey, CEO of Connecticut Gospel, a small local business dedicated to providing opportunities for local and regional gospel artists to present their music to audiences in Connecticut. Many of these groups are comprised of senior aged musicians as well as youthful up and coming artists who present messages of hope, inspiration, and peace to communities that benefit from uplifting entertainment.

As a small business, we rely on members of the community and other local businesses to help us present our concerts of positive music twice each year. I am writing to ask you to consider supporting us with a sponsorship package that directly benefits the community as well as promotes your business or practice with a large, high quality ad in our souvenir booklet. For nearly five years now, we have enjoyed growing support from the Connecticut business community and the public that we serve, and we look forward to welcoming you as one of our newest sponsors.

Please feel free to contact me with any questions.

Thank you sincerely,
James Bernard Dorsey, CEO Connecticut Gospel
