

Toilet Timeline Exhibition

We will be testing a new on-line exhibition, Toilet Timeline, week beginning 7 June 2021 as part of our Culture Recovery Fund project.

From a hole in the ground to the vacuum assisted toilet on the space station, the Toilet Timeline illustrates the key developments in toilet design and technology past, present and future

Its free to take part in the test with a £30 prize for one lucky person!

If you would like to take part and help us evaluate the exhibition please email

chris.foord@crossness.org.uk

The Culture Recovery Fund for Heritage is jointly delivered by The National Lottery Heritage Fund and Historic England using funds provided by DCMS.
