WE KEEP IT LOCAL, FRESH & TASTING GREAT

We are proud to now have permission from DEFRA to have freshly caught fish delivered to the cafe from local fishermen. We often see our fisherman at work as they pass the cafe & our chef, Chris Dayer, cleverly adapts our Specials Menu to incorporate the local catch.

We hope you enjoy your visit and welcome any comments you have concerning our food and drink. Menu descriptions may not list every individual ingredient - if you are concerned about the presence of allergens in our food, please ask a member of our team for assistance when choosing your meal. The menu is subject to availability. We may occasionally sell out of popular products, if we do we will do our very best to offer you the nearest alternative. We will endeavour to serve your meal quickly, but all food is cooked fresh to order and so may take a little longer to prepare. All prices are in GBP and include VAT at the prevailing rate.
