## **REPORTING ON 2016 RENTAL INCOME**

### **For Immediate Attention**

For those who prefer, or have elected (and are legally entitled to do so), to pay taxes on residential income according to the 10% “route”, you will require special tax payment vouchers.

The tax payable is based on your gross rental income for 2016, and must be paid by January 20<sup>th</sup> in order to avoid paying interest and linkage on late payments.

Kindly let us have the full details of your rental income received during January – December 2016.
