

Prayer Against Human Trafficking

God of Light,

We pray for all of the people -
men, women and children,
concealed in slavery.

Help us shine your light into the
homes, streets, factories and brothels
in our own neighborhoods,
and around the world,
where people are enslaved.

The darkness is as light, to you, O Lord.
No person, in any corner of the world,
is hidden from your sight.
Help us shine your light.

Amen.
