

# God of Light,

We pray for all of the people -  
men, women and children,  
concealed in slavery.

Help us shine your light into the  
homes, streets, factories and brothels  
in our neighborhoods,  
and around the world,  
where people are enslaved.

The darkness is as light, to you, O Lord.  
No person, in any corner of the world,  
is hidden from your sight.  
Help us shine your light.

Amen
