ברוכים הבאים WELCOME

PHILOSOPHY STATEMENT

The Yeshivah-Beth Rivkah Pre-Schools are the gateway to the Yeshivah - Beth Rivkah Colleges.

Chabad Chassidic chinuch (educational philosophy) is the foundation and ethos of our schools, which welcomes and embraces all families into our Centre. The light of Chassidus permeates every kinder room as articulated by the Rebbe through his Mitzvah campaign and readying the world for Moshiach.

We believe that all children have the right to experience quality child care. Essential to the Centre philosophy is the need to maintain a warm, positive and co-operative environment in which children can grow and learn. Such a nurturing environment is deemed vital for the development of self-esteem and confidence.

Our Pre-Schools aim to develop the "whole person", and as such provide a balance of social, Jewish and General studies as well as life skills, to promote the child's complete personal development.

Our philosophy draws on and is developed by values held by staff, families and management and reflects the needs and values of the community. Families are encouraged to ask questions and to raise issues about our Centre's policies at any time. This process respects and values the views of all and enhances clarity and understanding. This ensures a sound basis for building and planning programs for children at our Centre.

We value the child within the context of the family and we believe that the family is the primary educator of the child. Each child's family knows their child best, and staff work in partnership with families to ensure the best outcomes for children. Family bonds are respected and nurtured through the development of open communication and close working relationships between home and the Centre. We believe that the child's overall development will be enhanced by this.

Positive self-esteem and self-concept are essential for optimal learning and development of children. Strong emphasis is placed on genuineness, creativity, honest self-expression, and freedom of choice. In this climate children become increasingly self-aware and accepting of themselves, and in turn, more tolerant and accepting of others, and the wider environment.

"Education should not be limited to the acquisition of knowledge and preparation for a career. Education should teach a child how to live a better life, not only for the individual, but for the advancement of society as a whole. The educational system must, therefore, pay more attention, -indeed, this must be its central focus- to the building of character, with emphasis on moral and ethical values."

-The Rebbe - Rabbi Menachem Mendel Schneerson

We strive to promote a sustainably friendly environment – in both looking after and educating our children and families in sustainable practices.

The staff works to accommodate and facilitate a wide range of differences between children. All children need to feel they are valued as individuals, with unique abilities and interests, and capable of achieving their potential. This takes account of qualities including rates of development, styles of learning, needs, and interests. Children are provided with an environment rich in materials, equipment and instruction, so as to explore, to experiment, and to experience the world in their own way and in their own time. This is based on the assumption that children learn best by actively doing things, through play. Learning through play becomes a natural extension of the child's curiosity. Play can take a variety of forms, modelling, observing, imitating, experimenting and experiencing. We plan the experiences that are the basis of the pre-school curriculum based on these forms of play experiences, together with the children's present developmental stages and past and current interests.

Attention to children as individuals ensures that learning experiences offered are challenging and achievable. In their interactions, staff consistently demonstrates sensitivity and respect to a wide variety of backgrounds and family structures.

We believe children learn best in an atmosphere of warmth, safety, and security. We create an atmosphere that is respectful of individuality, and where physical, intellectual, and emotional growth is nurtured.

NATIONAL QUALITY FRAMEWORK

Our Centre complies with the National Quality Framework which aims to raise quality and drive continuous improvement and consistency in education and care services.

The National Quality Standard sets a national benchmark for the quality of education and care services.

The Yeshivah Beth Rivkah Pre-Schools has achieved an “Exceeding” rating in ALL 7 Quality areas.

This is an outstanding achievement!

The National Quality Standard is divided into the following Quality Areas:

1. Educational program and practice.
2. Children's health and safety.
3. Physical environment.
4. Staffing arrangements.
5. Relationships with children.
6. Collaborative partnerships with families and communities.
7. Governance and Leadership.

Further information on the policies and the frameworks can be found in the policy and philosophy document located in the foyer.

ENROLMENT PROCEDURES

Applications for Admission to Pre-School are invited at any time, and can be picked up and lodged at the Gurewicz Early Learning Centre.

Generally places will be allocated in order of application. However, consideration will be given to special cases. Places will be offered as vacancies occur, according to our Priority of Access, as stated in the Philosophy and Policy document.

An application for admission fee of \$100 is non-refundable if a place is offered to your child. In the instance that your child is not accepted this application fee will be refunded in full.

Parents wishing to withdraw their child from our Pre-School are to give one quarter's notice in writing to the Pre-School Head and any advanced fees paid will be refunded on a pro rata basis.

Gurewicz Early Learning Centre is pro-active in enabling access for children with additional needs and from ethnic backgrounds, provided that the staff can adequately meet the child's needs.

Where care is sought for such a child, it is appreciated if as much notice as possible can be given, in order to organise supports such as additional staff as required. The Centre actively liaises with Jewish Care, FKA, KU, Noah's Ark, City of Glen Eira and appropriate resource centres to support children with additional needs.

PAYMENT OPTIONS

See Appendix 3 - Page 15 *Direct Debit form*.

The payment option form must be completed upon enrolling or before your child commences at the centre.

CHILD CARE BENEFIT/SUBSIDY

Childcare Benefit/Subsidy helps with the cost of your childcare. It will be paid directly to the Childcare Centre and reduces the fees you pay. To make further enquires about your eligibility, contact the Family Assistance Office (FAO) on 13 61 50. They will assess the family and identify the Childcare Benefit/Subsidy that you are entitled to and this amount will be deducted from your childcare fees. The rate of Childcare Benefit/Subsidy you will be entitled to is based on your income, "activity" level and other eligibility factors.

FAO have set down the following regulations for families receiving Childcare Benefit/Subsidy:

Immunisation: To be enrolled and be able to claim Childcare Benefit/Subsidy you need to prove that your child's immunisation is up to date. Please supply a copy of your child's immunisation record.

Absences: Childcare Benefit/Subsidy can only be paid for up to 42 absence days per child. This includes absences recorded for public holidays. Once the 42 absence days have been taken, CCB can only be paid for additional absences if certain criteria are met.

If a family wants to receive CCB for additional absence days for a child, they will need to provide documented evidence to the service to support one of the following reasons:

- illness (with a medical certificate)
- non-immunisation (with written evidence)
- rostered days off/rotating shift work (with written evidence)
- temporary closure of a school or pupil-free days
- shared care arrangements due to a court order, parenting plan or parenting order (with copy of documentation)
- exceptional circumstances.

If you have used up your 42 days of absences, and your child is absent for a non-approved reason, you will not receive childcare benefit for the day your child is absent and you will be charged for that day.

Yeshivah - Beth Rivkah Pre-Schools are open for some public holidays. Consequently, parents will be charged for some of the Jewish Holidays as substitute days. Parents will not be charged for the other Jewish Holidays when Yeshivah - Beth Rivkah Pre-Schools is closed.

FAMILY INVOLVEMENT AND COMMUNICATION

We value the concept of the family. When your child enters our Centre he or she becomes part of our Gurewicz Early Learning Centre family and family members are welcome to visit our Centre at any time.

Family involvement plays a crucial role in bridging the gap between the home environment and the Centre. Consistency can be achieved when families are encouraged to participate in a meaningful way. We particularly encourage families from different cultural backgrounds to contribute their knowledge and skills.

Families are encouraged to be informed of, and contribute to, the policies and management of the Centre which can be via representation on the Board or Parents Association. This Association is comprised of administrators, staff and family members.

Their main functions help to develop specific policies in relation to the operation of the Centre and fund raising activities. An Annual General Meeting is held to elect members. Families will be asked to nominate representatives, and will be notified as to who is elected.

Meetings are conducted regularly throughout the year. Sub-committees will be convened as required. Meetings are advertised via the community newsletters.

Information evenings are scheduled for prospective families to have the opportunity to meet staff, view facilities and find out more about our Pre-School Centres.

ORIENTATION

The Gurewicz Early Learning Centre provides many opportunities for children to visit our kinders before they begin. To ensure a successful and comfortable adjustment to Gurewicz Early Learning Centre, children may need a gradual introduction to the Centre. We encourage you to spend the time with your child in orientation. Families can telephone the staff at any time to inquire about their child. The Gurewicz Early Learning Centre encourages families to undertake pre enrolment visits at the Centre, including music and story-telling sessions which are held each month for children enrolled for the following year.

Information evenings are scheduled at the beginning of the year during which families have the opportunity to meet staff, view the facilities and find out more about our kinder program. The staff welcomes each child warmly on arrival and involves the children in interesting activities to facilitate their willingness to part from their families. Where a child speaks a language other than English, staff learns key phrases and words in the child's home language in order to assist the child in feeling secure in the Centre. Settling in is tailored to meet both the families and children's needs.

For children beginning in the 3 year old kinders it is preferred that they are picked up after lunch by 12.30pm in the 1st week and start the sleep/rest program in their 2nd week at the Centre. All settling in procedures are tailored to meet families' needs so please discuss your requirements with the Staff / Pre-School Head and we will do our utmost to accommodate you. Please note that your child should be toilet trained by the start of the kindergarten year.

INCLUSION

Gurewicz Early Learning Centre offers an inclusive program which aims to ensure children have access to our centres including those: from non-English speaking backgrounds and with additional needs.

Our Early Learning Centres support inclusion by:

- providing information to families and staff
- assisting families to access appropriate children's services
- referrals to other relevant services
- liaison between services
- assisting staff in developing programs or strategies for individuals or groups of children
- providing on-going support to families and staff
- offering in-services and professional development

Ongoing communication is essential and is relayed through various avenues including: weekly newsletters, email updates, daily program updates, photos and the "Our School" app.

Parent feedback is encouraged via email, parent feedback forms, and on the daily/weekly program sheets.

In addition feedback can be provided via a parent suggestion box, noticeboard / whiteboard, where relevant family information is displayed.

Other opportunities for family/staff communication are Information Evenings in early Term 1, mid-year interviews as well as informal discussion at drop-off or pick-up time. Staff is available to meet with families at mutually convenient times to discuss any concerns as they arise.

A variety of guest speakers and a parent library provides additional resource information on child related topics.

In addition, special activities are arranged to allow family members and other members of the community to participate in the Centre activities. Families visiting the Centre are asked to wear appropriate attire.

All Centre information can be made available in languages other than English and families requiring translated information should speak to the Pre-School Head.

Families are requested to download the "Our School" app to receive up-to-date happenings in the Pre-Schools and Schools, and to be informed of personal and community announcements that are being made.

STAFFING

Our centre is staffed by qualified and experienced staff including Early Childhood educators, Jewish Studies teachers and Early Childhood Assistant educators. There is at least one staff member on duty with First Aid qualifications.

Our staffing policies and daily procedures all provide for the continuous supervision of your child. Our team consists of professionals carefully selected for their commitment, experience, enthusiasm and ability to relate to children with a loving attitude. We have a team of experienced relief staff who are familiar with our procedures and children, and can be called upon to cover staff sick leave and holidays.

PROGRAM

Yeshivah Beth Rivkah Pre-Schools use the Early Years Learning Framework to inform the development of our curriculum that enhances each child's learning and development.

Children at our Centre are provided with a varied and stimulating planned activity program, aimed at developing their physical, intellectual, emotional and social growth in an enjoyable and challenging manner. Planning involves overall plans for the group of children and for individual children in the room. These are developed from observations made of the children in their room.

Developmentally appropriate activities and experiences are provided each day through the planning process. The importance of learning through play is acknowledged as play is the natural way children learn about themselves and the world around them. We feel that our most important role when with children and when introducing new concepts to them is to consistently show support and encouragement for their efforts.

As part of our Chinuch, we promote a love of Judaism and Jewish values. The culture, laws, customs and tradition of Judaism are taught in a variety of ways including song, story, art, craft and drama.

We present an integrated approach to the Early Learning Centre curriculum. Focussing around the Jewish calendar, the Jewish and Chassidic holidays, תפילה (prayers) and ברכות (Blessings for food). Students participate actively in תפילה and in the weekly שבת Shabbat party.

Children are introduced to the letters of the Hebrew alphabet which is presented at their developmental level and stage of readiness. Hebrew language is incorporated at every opportunity through play, stories and songs. Vocabulary grows through identification of common objects in the classroom, parts of body, members of the family, seasons, numbers and colours, etc.

“Jewish tradition perceives children as worthy and deserving of our greatest resources of time and energy to create an environment that is both physically and spiritually nurturing. For it is the children who embody the purity of intent, sincerity, faith and enthusiasm for life.”

GROSS/FINE MOTOR PROGRAM

A special Sport program is offered as part of the Pre-School curriculum. It is a unique motor program that gives children the opportunity to be exposed to the many benefits of physical fitness and sport. It is a program where sport is used as a mechanism to teach children by focusing on concentration, perseverance, self-confidence, responsibility, independence, sportsmanship and teamwork. The program focusses on skills associated with a variety of sports, one sport being covered every week e.g. Baseball, basketball, cricket, hockey, volleyball, footy, soccer and tennis. Each session makes use of bright, exciting, innovative child and sport specific equipment to enable the learning of motor and physical fitness elements such as agility, balance, flexibility, power, strength, and cardiovascular-fitness.

The instructor is dynamic, friendly and highly experienced, ensuring that each child benefits from this educational experience.

MUSIC PROGRAM

Music is an integral and much enjoyed part of the Gurewicz Early Learning Centre and is incorporated into our program on a weekly basis. Music plays an important role in many areas of child development. The benefits of a music and movement program in preschool aged children are vast and include, but are not limited to:

- Promotes creativity and imagination
- Provides a safe space to explore improvisation
- Refines listening skills – noticing changes in tempo

or pitch

- Improves gross motor skills
- Encourages group participation – improves social skills
- Improves balance, rhythm and coordination through dance and movement
- Creates body awareness through actions involving all parts of the body.

Many genres of music are incorporated into the program and the Jewish calendar is reflected in many of the songs and music chosen. A vast range of instruments and props are used to reinforce musical concepts. Drumming (a real favourite) has also recently been included into the program.

EXCURSIONS/INCURSIONS

Excursions and incurSIONS are a valuable learning experience and are organised throughout the year to enhance the planned program. You will be asked to sign permission slips for each excursion. These inform you of the date and other details of each excursion. Children will only be permitted to go on excursions if these permission slips are returned to the teacher in time.

POSITIVE BEHAVIOUR GUIDANCE

It is the goal of staff to help children become happy, cooperative participants in the program through positive and non-threatening behaviour guidance techniques. Our most important role when managing children is to consistently show support and encouragement for their efforts. An outline of the principles of our policy is in the Philosophy and Policy document, available in each of our Centres.

SIGN IN/OUT

Please greet staff when you arrive. This helps them to encourage your child to settle into their day at the Centre. In order to comply with Government regulations, attendance books are kept. Your child must ALWAYS be signed IN when arriving and OUT when leaving.

NOTE: Children will only be placed in the care of people listed in the Personal Record form. Please nominate all people who are authorised to collect your child from the centre. Any changes to this

arrangement should be made in writing.

NOTE: If there are special circumstances where a certain person is NOT to collect your child, a Court Order (original) must be sighted and a copy kept in your child's file at the Centre.

PUNCTUALITY

Please be punctual in picking up your child. A child can be rather distressed if he or she is the only one left behind. It is vital to inform staff of unexpected delays. If a child has not been picked up by 6.30 pm (Mon to Thur) or 3:15pm (Friday) then staff will follow the procedure outlined in the Philosophy and Policy document.

MEALS AND SNACKS

Our Centres aim to create a safe environment for children who are allergic to nuts and products containing nuts. Parents are asked not to bring nuts or food containing nuts into the Centre and to be vigilant and very careful in checking for nuts and nut traces in all ingredients that they may use in the food their child brings into the Centre. Nut allergies can be life threatening and even touching nut products can cause illness, even fatality.

Goal:

To supervise and assist children to receive safe and nutritious food.

Strategies:

- Parents will receive advice on both suitable and unsuitable food to pack for their children
- Water is available at all times throughout the day
- Jugs and mugs are available for the children to use
- This encourages independence and develops pouring skills
- Emergency food will always be available for children who have brought insufficient food or fruit/vegetable snacks if they are still hungry
- Parents will be advised if their child is not eating well
- Children wash their hands before handling food or eating meals and snacks
- Food will be stored and served at safe temperatures.

Goal:

To provide an eating environment that assists the transmission of family and

multicultural values.

Strategies:

- Staff members sit with children at mealtime
- Food is never used as a form of punishment either by its provision or denial
- Multicultural differences will be recognised and accepted
- Special occasions may be celebrated with culturally appropriate foods.

Goal:

To teach children about food and nutrition.

Strategies:

- Food awareness activities are included in the Centre program
- Children will be encouraged to get practical experience in food preparation
- The foods being eaten by the children will be discussed with them.

Meals

Each child must bring a kosher, nourishing, milchig (dairy) or parve lunch (neither meat nor dairy), as well as morning tea. If a parent is unsure about the kashrut of a food item we have a kosher list in the kinder or a staff member can advise you.

Staff should be informed of perishable food products so that they can be put in the fridge upon arrival at kinder so that they can be stored at an appropriate temperature.

Birthdays

Having a birthday is a wonderful experience for children. Celebrating birthdays at the Gurewicz Early Learning Centre is an opportunity to give individual children great enjoyment and a boost to self-esteem and self-confidence. We have a special celebration and invite family and friends to join us.

In some of our Centres the cakes are baked with the children and parents are asked to make a donation to the kinder. This enables us to purchase extra resources for the centre.

YESHIVAH-BETH RIVKAH PRE-SCHOOLS
GUREWICZ EARLY LEARNING CENTRE

תחת נשיאות כ"ק ארמו"ר מליובאוויטש

In other Centres parents are asked to buy a cake from a Kosher supplier. Party bags are not necessary, but if they are sent please do not include food in the party bags.

We encourage a donation of a book to mark the occasion, with the child's name inscribed. Families will be informed of and thanked for the item purchased. The child takes pride in the צדקה (charity) given.

Birthday parties that are held outside of kinder should take all children into consideration and ensure that all food is kosher and not hold the party on Shabbat or Chagim. Invitations may be handed out at kinder as long as all children are invited.

We look forward to celebrating your child's birthday in the Gurewicz Early Learning Centre. Please provide your child's Hebrew birth-date and inform us in advance of the day you wish your child to celebrate the birthday.

CLOTHING/SUN PROTECTION

Children should wear comfortable, sturdy clothing to the Centre that is clearly marked with their name. The program is designed to provide a range of stimulating and frequently messy activities. "Good" clothes inhibit the children from participating in the program. Parents should avoid dressing their child in overalls or placing belts on clothing as this impedes independent toileting.

Staff respects children's clothing preferences within the scope of the Centre's policy. The Centre provides smocks for messy activities.

All children are to have a spare change of clothing

(underpants, socks, singlet, pants/dress) in a bag in addition to a spare jumper or jacket in case the weather becomes unpredictably cold. These need to be named and returned promptly to the Centre if it has been sent home after use.

Thongs, plastic sandals, crocs and backless shoes are not acceptable. Gumboots may be worn to and from the Centre, but shoes must be sent along.

We encourage children to dress and undress themselves, thereby enhancing their self-help skills. Staff assistance is provided willingly as necessary.

Children should be adequately dressed for indoor temperatures and outdoor weather conditions.

The Gurewicz Early Learning Centre Sun Smart policy has been developed to try to ensure that all children attending the Centre are protected from skin damage caused by the harmful ultra-violet rays of the sun. It is to be implemented throughout the year but with particular emphasis from September to April. A combination of sun protection measures are used whenever the UV levels reach three and above. UV levels and sun protection times are monitored each day to help with the implementation of this policy.

We supply sunscreen but ask parents to provide sunscreen if a specific one is required by their child (e.g. for sensitive skin). Staff will apply sunscreen as required. Use by date of sunscreen will be checked as it has been found that sunscreen loses its effectiveness after 12 months. All children must wear Sun hats when outdoors whenever the UV levels reach three and above. Children who do not wear hats will be asked to play in an area protected from the sun.

The Centre supplies hats to all children in the Centre. These are colour coded according to the group. If a child uses a spare hat, the hat is sent home to be washed and should be returned the next day. We also encourage all children to wear Australian approved sunglasses. A more comprehensive outline of our policy is in the Philosophy and Policy document.

TOYS

We ask that toys not be brought to kinder; a soft toy for rest time is welcome.

SLEEP/REST TIME

All children are encouraged to have either a rest period or a sleep after lunch. A calm and relaxing atmosphere is created during the rest period. For the first half hour all children are encouraged to rest and soft music or stories are played. For those children who are awake we supply activities which the child can play with quietly. We work with the needs of each child and family as to how much or little sleep that child needs.

ILLNESS

Please be considerate of the health of your child and others at the Centre. If your child has a temperature, an infectious disease (e.g. thrush, conjunctivitis, gastroenteritis) or is so uncomfortable that she/he will be miserable all day, please make other arrangements. If we notice your child showing any sign of toothache, bleeding gums or dental trauma we will notify families.

REMINDER!

We recommend you keep your child home:

- If he/she has a fever or has had one during the previous 24 hour period
- If he/she has a cold that is less than 4 days old
- If he/she has a heavy nasal discharge
- If he/she has a constant cough
- If he/she is fussy, cranky, and generally not himself/herself
- If he/she has symptoms of a possible communicable disease. (These are usually sniffles, reddened eyes, sore throat, headache and abdominal pain, plus fever). Please notify the school at once if the child does have a communicable disease.

If your child becomes ill whilst at the Centre he/she will be separated from the group and we will phone you to come and collect your child (or the person nominated as an Authorised Nominee on your behalf if parents cannot be contacted).

A Department of Human Services PERIOD OF EXCLUSION LIST is included as Appendix 2. Please ensure that you adhere to the specifications.

If your child has an infectious disease which is not stated on the Exclusion List the child may be excluded at the discretion of the Head of Yeshivah - Beth Rivkah Preschools and the parent may be asked to produce a medical certificate before the child can recommence care.

Signs will be posted if a child attending the Centre has developed an infectious disease.

SAFETY/ EMERGENCY PROCEDURES

Each centre has comprehensive safety, accident and emergency evacuation procedures which are posted at all exits. All staff are familiar with and able to implement these procedures. For details of the procedures, please refer to the Philosophy and Policy document.

ACCIDENTS

All accidents are recorded in an accident register, where the circumstances and treatment are recorded. The parent/guardian will be requested to sign confirming the notification of the incident.

MEDICATIONS

If you have any medication for your child PLEASE HAND IT TO STAFF.

Medication is only administered under the following conditions:

1. Medication is recorded in the Medication Booklet and SIGNED by parents/guardians
2. Staff will record administration of medication
3. If it is a prescribed medicine it MUST be prescribed for your child
4. The medication will not be given if out of date
5. Staff will not administer more than the prescribed dose
6. Parents must inform staff of time of the last dose.

IMMUNISATIONS

Immunisation is particularly important for children in child care.

The 'No Jab No Play' policy requires children to be fully up to date with vaccinations before they can commence at early childhood education and care services (excluding outside school hours care).

It is the policy of the Centre that all children attending the Centre be immunised according to the State of Victoria Immunisation Schedule. Proof that each child has received immunisation appropriate for their age is required on enrolment and when subsequent immunisation occurs.

GRIEVANCES

The procedure for parents with a possible grievance:

1. Discuss concern with the staff in the room
2. The Pre-School Head will then be consulted. If the parent is still not satisfied the matter would be brought to the attention of the Heads of the School
3. If there are still concerns, a written complaint can be sent to:

WHAT TO BRING

Each child should bring the following NAMED articles:

- 1 blanket (cot size)
- 1 fitted sheet (cot size)
- 1 bag for linen
- 1 lunch box clearly labelled with name
- 1 bag (large enough to hold lunch box, belongings and art work) able to be opened by the child, and have shoulder straps
- 1 large bag containing a complete change of clothing all labelled with name.

• צדקה Tzedaka

Charity is a fundamental Jewish concept, so we encourage each child to bring a coin daily for צדקה.

• מצוה Mitzvah Notes

We encourage children to do good deeds- מצוות, please send מצוה notes to kinder with your child. These will be read daily.

• And, of course, a great big smile 😊

"Jewish tradition perceives children as worthy and deserving of our greatest resources of time and energy to create an environment that is both physically and spiritually nurturing. For it is the children who embody the purity of intent, sincerity, faith and enthusiasm for life."
