

Second Hand Uniforms

The second-hand uniform shop was established in order enable items that are no longer required for one family to be used by another family, with the aim of reducing their financial demands.

Donations

Donations can be brought in directly to the uniform shop, or left at the school front offices, marked as "for second hand uniform shop".

Items must be in excellent condition, as we want all our students to feel good about themselves in the uniform. Please do not donate the clothing if there are stains, tears, have broken fastenings, are very faded or have significant pilling. We are also not accepting items with the old yellow emblem, as those have been phased out many years ago.

Purchasing Items

Please TEXT Leah Wolf on **0408 527 666**. Leah works every day in another role, and is therefore unable to accept calls at all times - she manages the shop as a volunteer, and will contact you when she is available.

At times, the second-hand uniform shop will be open at the same time at the standard uniform shop. These times and dates will be listed in school correspondence via the school app, website and newsletter.

It is at the discretion of the volunteer workers in the second-hand uniform shop as to the number of items that is appropriate for a family to take, given that there needs to be sufficient stock for other families in need of this service. Please be understanding and supportive if you are unable to purchase as many items as you wanted.

Each item needs to be paid for, rather than swapping a previously used item you no longer require for another size.

Payment

Items must be paid for separately from the standard uniform shop, and credit card facilities are not available. You will need to pay at the time of purchase, either by cash or direct deposit into the following account:

YBRPA

BSB: 033169

Account: 135788

Please ensure that you put your surname in the 'notes'.
