

Owini ISO Certification

- Owini is ISO certified (since 1/2014) in multiple standards with different management systems consolidating their requirements to create a robust **integrated management system, manual and procedures.**
 - ✓ ISO 9001 (Quality)
 - ✓ ISO 14001 (environmental)
 - ✓ ISO 45001 (Occupational Health & Safety)
- ISO certification process included the following:
 - ✓ Accreditation company conducted 1 day audit at Headquarters including employees interviews, examination of existed management system and procedures
 - ✓ Accreditation company conducted a 3 days audit in project area: visiting villages, warehouses and main office, interviewing Owini's employees and sub contractors at the work site
 - ✓ Based on audits and understanding company goals- ISO consultants based their final results.
