Two excellent wins for the 5thX1. I was fortunate to umpire their excellent match against St Albans when Andy Gregory scored all three goals. Against Wimbledon with Andy umpiring Tony Goodwin and Chris Edwards did the damage. The 1stX1 were unlucky at Wimbledon hitting the woodwork and having goals disallowed. Andy Hughes slotted in the winner for the 2ndX1 whilst Ross Farmer, Dave Addelston and Abe Hillel (having received a nasty nasal injury) scored for the 4thX1. Both these victories being most welcome after a set of poor results. The 6thX1 scored four first half goals against Wimbledon's most successful team, though the final score rather did the opposition an injustice. However Tony Barry (2), Colin Davey and Robin Francis took their chances well. The Vets (John Marshall) seem to be going through a rough patch, but it must be said that their opposition seem to be getting stronger, younger and faster. Indoor drew with Hounslow, beat Hendon.

PLEASE NOTE BULLETINS ARE NOW SENT EVERY FORTNIGHT..THIS WEEKS INCLUDES SELECTION FOR 10TH AND 7TH JANUARY.

BAR DUTY.....12TH..2ndX1 19TH..3rdX1 (3rdX1 v Wimbledon had to be cancelled as there were twelve cry offs and 32 players unavailable(I made 67 phone calls that week).
