

HAMPSTEAD HOCKEY CLUB BULLETIN THREE MONDAY 28TH SEPTEMBER 1981

RESULTS

	<u>1stX1</u>	<u>2ndX1</u>	<u>3rdX1</u>	<u>4thX1</u>	<u>5thX1</u>
Welwyn Garden City	4-1	2-0	3-0	2-2	2-0

The 1stX1 (Guest 3, Smith H) finally overcame an ultra defensive Welwyn team. The features of the match were the excellent goals and the skillful and team play of Raj Rawal.

The 2ndX1 (Borrett 2) didn't play well lacking co-ordination. I was impressed with the cool display of Ian Gatley at the heart of the defence.

Both the 3rdX1 (Randal, Laven, McCabe) and the 4thX1 (Schroeder, Goodwin) had to contend with monsoon conditions during their games (obviously affecting non-swimmers like James Barnes). The 3rdX1 dominated their match and the 4thX1 have to thank a great individual effort from Tony Goodwin for their draw. Peter Marshall thought he was at Twickenham, but saved the resultant penalty flick.

The 5thX1 (Gregory 2) won comfortably. Many thanks to Andy Edyvean for doubling with the 3rdX1 (noted..two clean sheets).

PITCHES/ANSWERINGS/FOOTWEAR

You must phone Answerings 584 1001, not me (Hampstead Hockey (Mens) Club... then state team). You must take both studded and non-studded footwear to all games (despite what Answerings say...a venue can be changed at the last minute). If the terrible weather persists we are going to have to use Highgate Wood and Corams (doubling up if necessary) more frequently. PHONE ANSWERINGS

Many thanks to Richard Chapman, Norman Borrett, Dave Dixon and Geoff Wilmot for attending the work party. As only five of us attended, plus the transporter breaking down the work on the far pitch wasn't able to be completed. It may mean, unless we get volunteers in the evenings and Sunday mornings there may be a delay before we can use the scorebox pitch.

BAR DUTY

Tony Elliott is organising (Wednesdays) Bar Duty on a team-monthly basis. Captains will be contacting their players when it's their month.
