

A BRITISH HOCKEY HERO

MR. S. H. SHOVELLER, ENGLAND'S HOCKEY CENTRE FORWARD

Although barely twenty-three years of age, Mr. Stanley Howard Shoveller is undoubtedly the most brilliant centre forward at hockey in the country. He is a native of Kingston, but plays for the Hampstead Hockey Club. He learnt the game at Queen Elizabeth's School, Kingston, represented Middlesex in 1899 and 1900, and since then has appeared for Surrey. Mr. Shoveller was first selected for the South in 1901, and has played centre forward for England since 1902.
