

CLUB SUPPER.

The Hockey Club is having a "Drain Supper" on Friday 29th June, commencing at 7 pm at 'Pizza On the Park', Hyde Park Corner, W.1. Victuals, drink, guest speaker and cabaret all included, tickets £10 per single and £17.50 for a double. In order to facilitate confirmed attendance, two tickets are enclosed. Please return notification and cheques (not cash) to Robin Francis (35 Belsize Park Gardens, N.W.3. tel no; 722-2728.)

Members not attending are requested to return unwanted tickets, as all are accountable. The possibility of dastardly rotters retaining unbought tickets for sleight of gate-crashing does not arise, as hockey players don't do that sort of thing. Besides which, we have ways of vetting and numbering tickets...

It would be feasible to admit late booking (pay at the door) but advance information and pre-sold tickets would make organising easier for the 'Drain Brains' trinity- yes, folks, yet another subcommittee, Nick Coleman, Ram Chitra and Robin Francis.

In addition to the festivities mentioned, tombola draws will be held at the restaurant. All members, including non-attenders, are asked to donate prizes - superlative or booby. When contacted, Nick (home tel 485 8762), Ram (794 8280) or Robin (722 2728) will be pleased to collect and acknowledge donors.

Not that this needs further underlining, but the Drain Supper, like the sponsored Marathon (2nd June) and the September Jumble, is aimed at raising funds to improved the drainage of our club pitches. We hope the opportunity of eating, drinking and making merry draws loyal support from club rank and file, past members and present - block booking of 4 tickets and above are subject to discounts, negotiable, contact Robin. Approximately half the ticket price will be Drain Fund profit, but the Drain Brains promise not to skimp the evenings entertainment content.

Club members may well feel they are being heavily milked over this summer. But the facts speak ample volumes. The Hornsey pitches will not be playable in wet weather until improved. Without self-help, the Sports Council will not open its purse. The ball is on our piece of soggy turf.
