

	1st XI	5th XI
v. Dulwich	2-0	1-5

The 1st XI gave good all round performance to comprehensively beat Dulwich. The pitch was a little sticky but played very well considering the amount of water that has fallen on it in the last month or so. Considering that the last game we played on grass was November 27th, the team quickly moved into their stride.

The attacks were made down both wings as well as through the middle. But it was on the wings that the successes came. Bill Taylor ran very strongly down the right and finally forced a short corner, in fact it was he who put the final touch to score off the post. It remained at 1-0 for a considerable time but Dulwich never really looked like scoring and Empty Dumpty was hardly troubled.

It was another strong run down the right that resulted in the perfect centre for Doug McCart to score with a firm shot. Ian Carless put in the best shot of the match, unfortunately the goal keeper just happened to be in the way because it is very unlikely that he saw it. Finally I think our man at the back Richard Chapman deserves a mention, he has hardly put a foot wrong all season, considering he has only just started playing with contact lenses, things must get better.

EASTER TRIP TO HOLLAND

Nick Coleman tells me that he hasn't yet received an official invitation to visit Holland again. But he is sure it is merely an oversight. Preparations are being made to taking a large drinking party to support the players. So if you want to be considered contact Nick now - 485 8762.

While you are speaking to him you can also let him know if you will be able to act as a Steward at the European Championship at the end of May.

BULLETIN

Once again I give a 'crie de coeur'. Please read your bulletin from start to finish and inwardly digest all facts.

I particularly refer to the instructions on the team sheet. Often you are asked to contact someone before the game. Now this is not very difficult it only involves you in making one phone call. Ian Carless tells me 3 members of the Xtras did not phone him last week. He has a difficult job to do so please try and do your bit to make it easier for him.

A.O.B.

I had a letter from Mike Patton last week. He sends his best wishes. Despite changing schools his spelling hasn't improved. He hopes to be with us over Easter, so ladies beware.

Apologies to the 3rd XI whose game was cancelled at the last minute, however the 1st XI greatly appreciated those of you who stayed to watch. I assume all the 2nd XI were learning how to score at Twickenham.

E.B.O.

Carl up out of that post bed your
 & arge bastard!
