THE HORNSEY '200 CLUB'

Dear Member, past and present,

May, '83, sees the start of the fourth year since our club revived the monthly 'Hornsey 200 Club' draws. With a potential pool of some 500 active members, I feel we could and should widen our subscription list, so I am appealing to you to seriously consider the merits of a subscription, still only £12 a year. Subscribers have the opportunity of winning cash prizes (a £10 and a £25 prize drawn each month, with an additional £50 prize every third month), and although three-quarters of all draw revenue is rebated in prize money, the club still makes a modest profit. Thus, last year some 70 odd subscribers achieved a profit of about £200 for Hornsey, which went towards much-needed club renovation. Wives, friends, relatives, all and sundry are eligible to subscribe, with an honorary club membership automatically extended to all who join.

So, once more, I would ask every person who enjoys their club sport and social amenities to reach for a chequebook and post a cheque for £12, made payable to 'Hornsey 200 Club', sent to the above address, and I will send notification of ongoing draw number immediately. Although this letter is getting to you late in May, all subscriptions reaching me by the 30th May will be eligible for the May draw which is being held at the end of the month rather than the first. Subscriptions reaching me after 1st June will be treated as June renewals and will still be eligible for a full 12 months quota of draws. Although it is administratively efficient for me to receive subscriptions at this time of the year, members are free to join at any time in the calendar year.
