Dear Roy,
Many thanks for Circular
letter re the old H.H.C. I'm very sorry indeed
to hear that the Cricket ground is unusable -
this may have been the reason many years ago
when we left to start to Richmond, also became
a Surrey Club!
I am sending a "little bit" to Cummings, I hope
the Club will go on for strength to strength in
its new home -
All the best

Yours
Jack Bennett
