I am afraid the 1st XI failed to deliver the goods, in fact their performance was very disappointing considering the way they have been playing in the last 3 weeks. We were beaten by a more competent side, it looked as though Hampstead had only just got out of bed and we only started playing in the final 10 minutes. One milestone was achieved by Ian Carless who scored his first goal for the 1st XI with a subtle shot which rolled 6 inches over the goal line.

The 2nd XI were lucky to come away with a draw. Hugh Smith found it easier to put the ball in the tennis courts than between the posts but David Teale floundered effectively in the mud and Colin Tweedie finally popped up to equalise with ten minutes to go.

Due to a bit of chaos behind the bar when the 3rd XI returned I didn't have time to get details of their game but I gather Geoff Wilnot had little to do in goal.

The previously mentioned chaos behind the bar resulted in what came to be known as Owles' Tolly. Due to lack of gas there was a threat that there would be no beer, so yours truly dashed out and purchased 36 x 4 pint cans of beer only to find on returning to the Club that the gas was working again. There are only 13 left, but we hope to reduce the stock by selling them instead of jugs.

The supper was a great success and I am sure everyone enjoyed themselves, and BBO was not the only one to get 'canned'. Adrian Rice consumed a very large number of screwdrivers during the Happy Hour.

Many thanks to everyone who lent a hand during the evening as waiters and clearers. The girls voted a short chap with glasses and slightly thinning hair as waiter of the evening. Guess who? See below!

I now turn from the Happenings at Hampstead to the triumph of age and experience over youth and vigour. I refer to the 6th XI's win over St Catherines College, Cambridge. A very fine achievement. Ron Hart reports that the whole side played well, goal scorers were Stuart Brown 2, and Richard Shaw. After the game both sides moved first to the Eagle and then on to a Greek Restaurant to satisfy their appetite.

CLUB HOUSE

You may have noticed parts of the Club House are in urgent need of repair. This work won't get done on its own nor will it be done for nothing.

So we are in need of two commodities:

- (a) volunteers as manpower when the need arises;
- (b) cash.

Everyone can do their bit on both these counts, we have a direct interest in all aspects of the Club so let's see some response.

CHRISTMAS DRAW

I thought it might be a useful method of raising funds if we ran a Grand Xmas Draw. Before we can do that we need prizes. In the next 10 days may I have commitments from members to donate prizes. I don't mind what size they are but the more there are the Grander the Draw. So give me a ring on 994 6629 (H) or 679 1711.

P.S. Entries for Guess the Waiter Competition should be sent on a postcard to the Club - the first correct entry will receive a guided tour round a well known pathology dept.
