

HAMPSTEAD HOCKEY CLUB
Bulletin for week ending 27th September 1970

MEMBERSHIP

complete

I shall let you have the usual/membership list in due course. In the meantime we have had applications for membership from : Richard Davies, Chris Major, Paul Sherrell and Alister Watson. Martin Sealey and Michael Tunbridge are old members who have been away from London and are now re-joining. Would existing members who have not done so please remember to return their pre-season postcard as soon as possible ? Otherwise it is difficult to know who and who not to select for the real games which start next week.

OTHER ITEMS

Don't forget that Subs are due on 1st October and, if paid within a month, qualify for £1. discount (i.e., 23 years and over £6. 10. Od, 21-22 years £5. 10. Od, under 21 £4. 10. Od)

I now have the exact wording of the new rule for the push-in which replaces the roll-in when the ball goes over the side-line. It is exactly like a free hit (i.e., it is taken from the point on the line where the ball actually crossed, with all other players at least 5 yards away) but it must be a push along the ground, not a hit or a flick.

We have had several births during the Summer. The ones which come to mind (I think they were all boys) are Mike Jones, Karel Houtzager, Derek Trotter and Peter Stevens. Congratulations !

The fixture cards are a little behind schedule. I hope they will be included in next week's mailing.

Alan Kurtz and his secretary will again be producing the bulletin this season - for which many thanks. (Don't forget to give Alan a ring if you're ever without your copy of the bulletin by Friday (a) to find out where you are due to play and (b) in case we haven't got your address right). We do, however, have a problem on addressing. Since I changed my job last year we don't have any addressograph facilities - Would any other member happen to have the sort of facilities where they could either get 100 envelopes addressed every week without fail (with regular additions and amendments throughout the season) or, alternatively, get 3000 envelopes addressed once for all at the start of the season (to be kept up-to-date by Alan's secretary). I would supply the envelopes, of course, but otherwise we can't afford much - if anything for this addressing.
