

HAMPSTEAD v. CAMBRIDGE U.

2-2

EVEN GAME ENDS IN A DRAW

This match was decided at Richmond on Saturday. Owing to the South v. East game both teams were considerably below full strength. Champion early opened the scoring for the Cantabs, but before half-time L Shoveller, after running three-parts the length of the field, sent across a good centre, which Farmiloe converted.

Play was fairly even in the second half, but in one attacking movement Orr put Hampstead ahead with a nice shot. This lead was retained until within five minutes of the finish, when Weir managed to equalise for the Light Blues. Hampstead had rather more shots at goal than the Cantabs, but on the whole the game was very even. Result:—Hampstead, 2; Cambridge University, 2.

Hampstead.—H B Dearle; F Potter and G R Ashton; C H Eiloart, E W Page, and W E Green; L Shoveller, F W Orr, C Eastman, G F Farmiloe, and A Cresswell.
